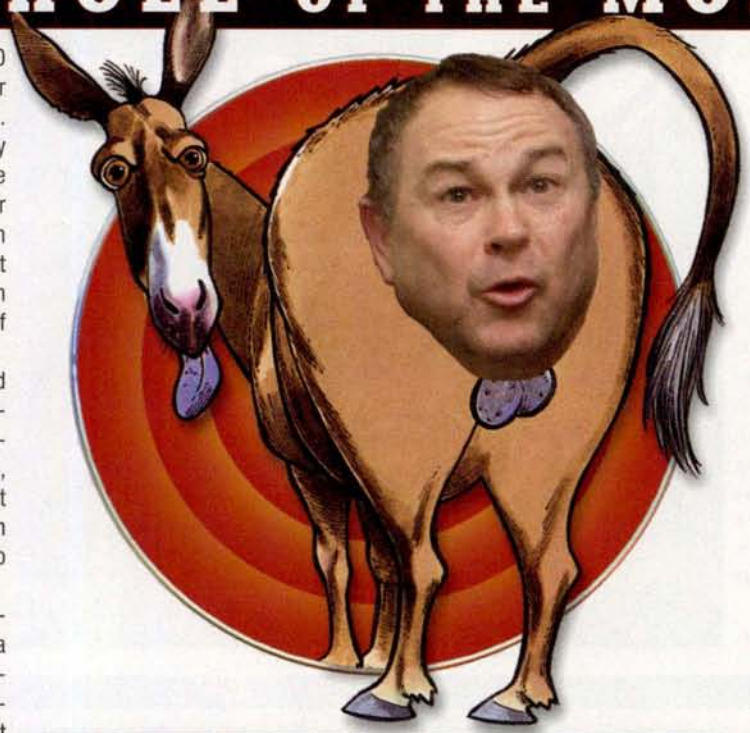
Bits&Pieces

ASSHOLE OF THE MONTH



DANA ROHRABACHER

Hindsight, it's said, is 20/20 vision. Rep. Dana Rohrabacher (R-California) disproves this axiom. While Rohrabacher undoubtedly assays the world from a poop-hole perspective, his outlook is as clear as dysentery. The congressman does, however, provide a perfect example of rectal buffoonery, which makes him HUSTLER's Asshole of the Month for January 2003.

Rohrabacher, a self-proclaimed "avid surfer" and "champion of protecting our environment," has represented Huntington Beach, California, since 1988. Perhaps not coincidentally, that period has seen rampant beach closures due to water contamination.

Years of wading in bacteria-infested muck seem to have had a debilitating effect on Dana's reasoning capabilities. He dismisses global warming, recognized almost unanimously by the world's scientific community, as "liberal claptrap," yet champions national missile defense technology, which decades and billions of dollars of research have failed to prove feasible. Rohrabacher crows about being "a strong voice for lower government spending" and a forceful advocate of "human rights and democracy around the world." In the next fetid breath, he brags of his tenure as Special Assistant to former President Reagan, when he "played a pivotal role in the formulation of the Reagan Doctrine."

Anyone whose brain hasn't been clouded by sewage-ravaged tidewater will recall that the Reagan Doctrine resulted in a multitrillion-dollar deficit and the covert support of murderous dictatorships. Though such conditions seemingly conflict with Dithering Dana's stated positions, he lauds Reagan as "one of our greatest" presidents.

As befits a two-faced sleazebag, Dipshit Dana has been associated with several scandals in his district. Most notably, his campaign manager, Rhonda Carmony, pleaded guilty to two felony campaign-violation charges for her part in a scheme to plant a decoy candidate in a 1995 election. Far from condemning Carmony's electoral tampering, Rohrabacher married her in 1997.

Such blatant disregard for political malfeasance, however, is a dry fart compared to the shit storm that Rohrabacher has unleashed since the terrorist attacks of September 11, 2001. The repugnant rep rushed to the media microphones that very day to puff, "I've been begging people to do something about Afghanistan...and I said if we didn't do anything about the Taliban, we would pay a dear price."

Rohrabacher followed up with another "told ya so" tirade on the House floor six days later. "Let me emphasize that I am not being partisan," Rohrabacher hedged, before taking the wholly partisan tactic of blaming the Clinton Administration. Congressman Crap-hatch blustered that, despite his repeated warnings, Clinton negotiated a 1996 cease-fire between the Taliban and the Northern Alliance, and thus "saved the Taliban when they were most vulnerable."

"There is rage in my soul," proclaimed Rohrabacher.

Dung-chute Dana apparently mistakes "rage" for "bullshit." In late 1996—when, he now says, we should have crushed the Taliban—Rohrabacher gave an interview to *Washington Report on Middle East Affairs*, asserting that the Taliban takeover of Afghanistan would be a positive development. Concerns about their fundamentalism and potential for U.S.-directed terrorism, he opined, were "nonsense."

Such comments might be dismissed as the gross miscalculations of a blithering idiot, if not for an unauthorized, secret April 2001 meeting Rohrabacher held with Taliban Foreign Minister Mullah Wakil Ahmed Muttawakil in Doha, Qatar. At the time, Dana told Doha-based newspaper *Al-Raya* that he'd "examined a peace plan" with the Taliban. Rohrabacher, who stressed that he was not acting in his capacity as a congressman, called the discussions "frank and open."

Dana has been less forthcoming in the U.S., where he has refused to disclose the details of the talks. Maybe that's because the gathering—in addition to highlighting his hypocrisy—is in seeming violation of the Logan Act, which forbids unauthorized American citizens from interfering with foreign policy.

Rohrabacher may be mum on the subject, but his silence serves as ample testimony to the fact that he's an Asshole.

FARTS IN THE WIND

Edward Fine: Fine, who was in the World Trade Center on September 11, 2001, but escaped unharmed, used the first anniversary of the attacks to announce that he will recount his story to reporters, for a price: "I ask $500 for an hour, for two, it's $911—and, yes, there is a significance to that sum." The main significance is that Fine is an exploitative Asshole.

Dick Armey: Retiring Texas Congressman Armey, who earlier gained infamy for his "Barney Fag" gaffe, decided to put his sphincters where his mouth is one last time before stepping down. "I always see two Jewish communities in America," Armey told a mostly Jewish audience in Florida, "one of deep intellect and one of shallow, superficial intellect....Liberals are in my estimation just not bright people." Armey's dim-bulb ruminations are proof that even one man can be both depthless and abysmal, if he's an Asshole.

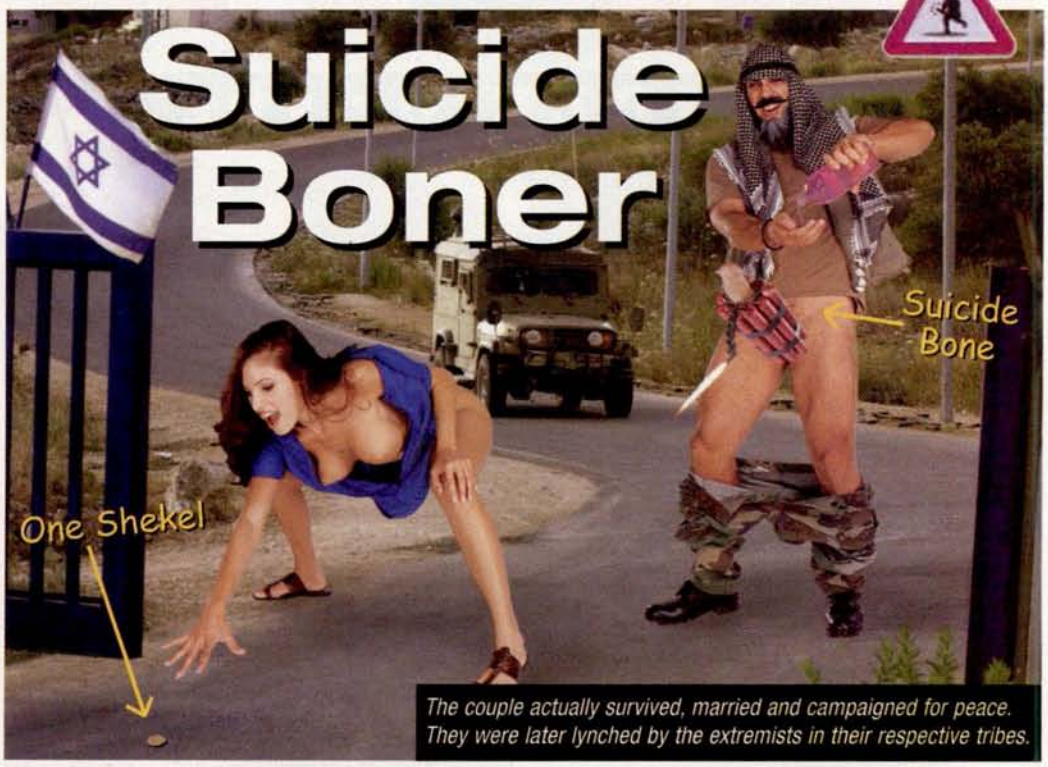
PARODY. NOT TO BE TAKEN SERIOUSLY. HUSTLER DOES NOT ENDORSE ANY ACT OF TERRORISM. DON'T TRY THIS AT HOMELAND.

Middle East Piece

The conflict between Israel and Palestine might actually receive balanced coverage now that HUSTLER has sent correspondent Hava Haveela to cover the story. From Jerusalem, Haveela writes:

I am told by the countless Christians, Muslims and Jews who crowd these streets that this is the holiest place on Earth—and they'll all bicker and murder to prove it. Israel is a conservative, military-minded, religious state. The good news is, so are the countries surrounding it. The bad news is, so are the countries surrounding it. I wish I had more to report, but Israeli troops are not above barring reporters from reporting. I did manage to smuggle this photo of a crazed terrorist about to pork an unwitting Israeli. That's all for today; I'm late for my bus.

—H. H.



The couple actually survived, married and campaigned for peace. They were later lynched by the extremists in their respective tribes.

CLIVE ALSO RECEIVED A NEW CASE OF LONG, THICK, BROWN CIGARS TO SATISFY HIS ORAL FIXATION.

Pucker Up

In the July 2002 HUSTLER, we published previously unreleased shots of man ass from photo-sets by staff photographers Clive McLean and Matti Klatt. Readers were given the opportunity to cast their vote for the lensman they thought went "From a Jack to a Queen." Here now is our exclusive coverage of the award presentation.

ASK PAMMY

Jane magazine recently hired Pam Anderson, the world's most famous groupie, to be their new columnist. HUSTLER telepaths invaded the *Jane* compound and believe they have intercepted an early draft of this literary low point.

Dear Pammy: **The nutjob I'm dating has two kids from a fucked-up marriage to a crazy ex-husband who has a penchant for X-rated home videos and prison sentences. How do I dump this loopy bitch?** ***—V. I.-Petered Out***

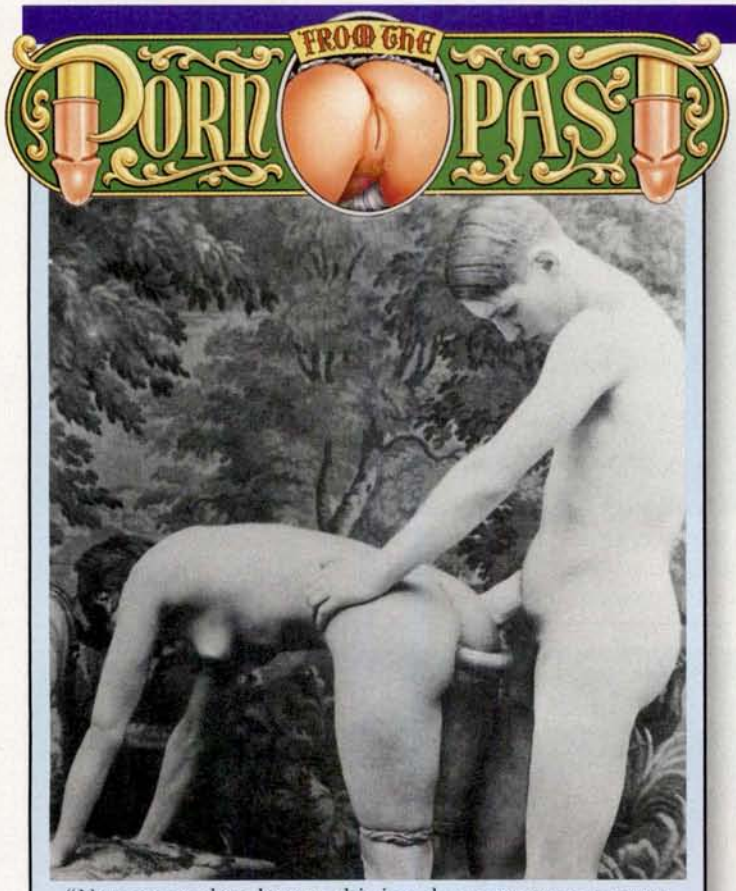
Dear Petered: Those poor children! The first thing I would do is call family services, then keep the kids away from the swimming pool. After you ditch the dumb bimbo, you can ease your pain by focusing on your syndicated television career.

Dear Pammy: **I was the shit when I started fucking a real sexpot. Then I turned on the news one afternoon, and saw her telling the world she has hepatitis C! Now I'm ridiculed, and my crotch itches. What's the best way to give this festering sleazebag the heave-ho?** ***—A Beverly Hillbilly***

Dear Hillbilly: Looks like your sexpot boil-ed over! *Snort!* Seriously though, if I were you, I'd leave her, then go date a musician who's really got it together. And remember, people, 'cause this is important: Don't share needles!

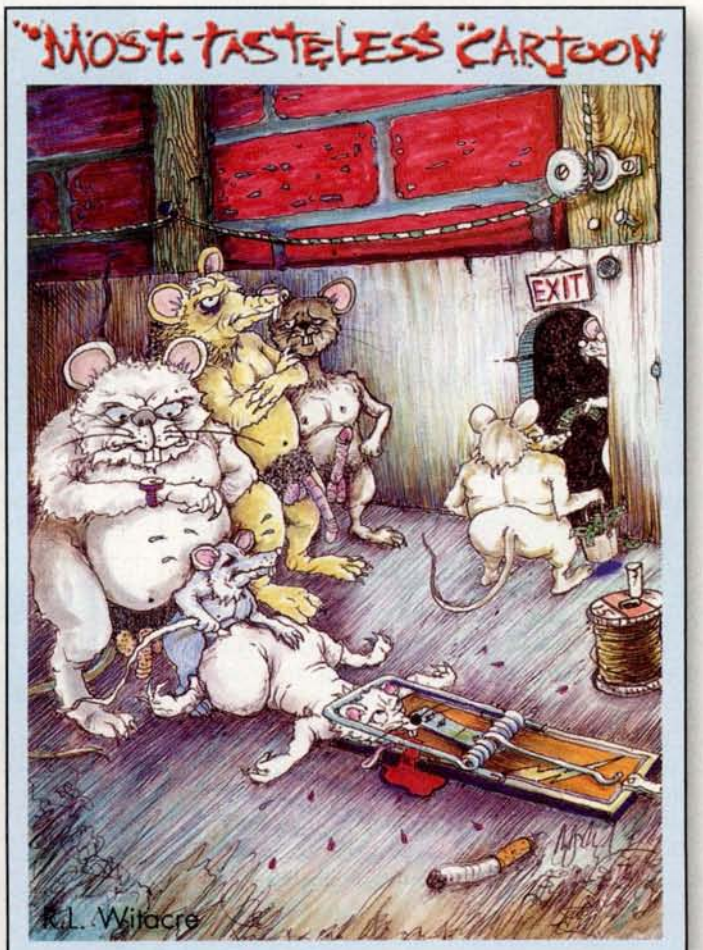
Dear Pammy: **I'm not saying the Canuck skeeve I'm shacking up with is stupid, but even her hepatitis only received a "C" grade. Granted, it's still passing, but this airheaded cumbucket can't even make up her mind about the size of her hoots, which she's altered from monstrous to less monstrous and back to monstrous. Any advice on how to get rid of this dense twat?** ***—No Thanks for the Mammaries***

Dear No Mammaries: Jeez, if she's as thickheaded as you say, I bet you could leave, and she wouldn't even notice, right? Hello?



"Now remember, honey, this is a daguerreotype camera exposure. We have to hold this position for hours."

For this sodomy snapshot, we're slipping $150 into A. H. of Redford, Michigan's back door. Send your smut of yesteryear to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.



NOT TO BE TAKEN SERIOUSLY. PARODY, BUT NOT BY MUCH.

What the Fuck?!

Cut! And Cut! And Cut!

The Fuck! Colorado-based video-rental chain Clean Flicks is suing a number of Hollywood's top directors, claiming the company has a First Amendment right to edit foul language, sex and violence from the movies it rents. HUSTLER cannot wait to see how these Impuritans try to convince a federal judge that editing someone else's copyrighted work constitutes Free Speech. In the meantime, we offer these examples of how to properly alter celluloid classics for the better.

FAMOUS FLICKS HUSTLER CUT

Ben Her: A lesbian converts to full-on manhood.
Casa Blacka: "Lay me again, Sam," the white woman pants.
Goodfuckas: One woman takes on a mob.
The Wizard of Ooze: Dorothy oils the Tin Man.

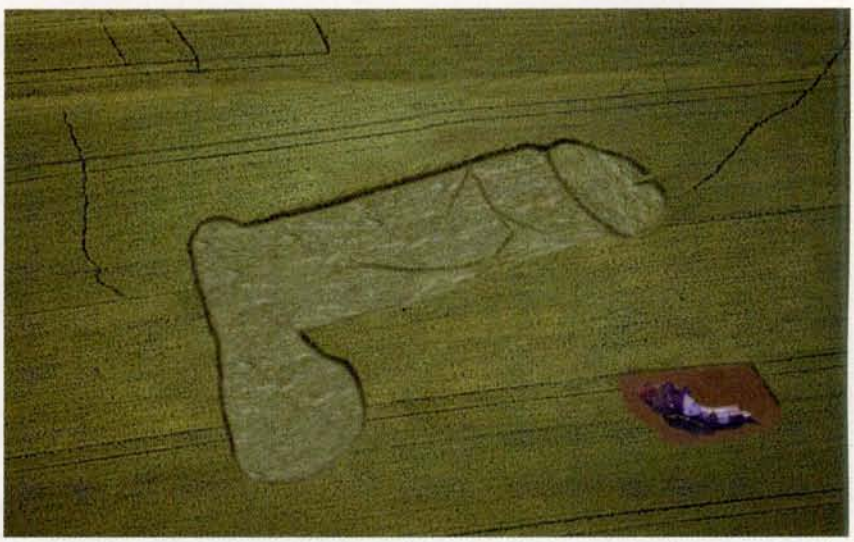
PARODY. NO SUCH MOVIES EXIST.

PARODY. YOU CAN'T CONTRACT AIDS FROM A TOILET SEAT.

After a detailed investigation, it appears this Muppet contracted AIDS from a public toilet seat.

Ready for an AIDS Muppet? Tough Shit.

The Fuck? In reaction to its country's AIDS epidemic, the South African government is enlisting that country's edition of *Sesame Street* to create an HIV-infected character in hopes of promoting education and dispelling myths and stereotypes. Predictably, Bible-humping politicians and activists in America have raised an unholy stink over the inflicted Muppet. HUSTLER has no such qualms when it comes to AIDS education, though we are curious as to how a pile of foam and felt contracted the virus.



The Fucking Truth Is Out There: This mysterious crop circle popped up in the fields of the Flynt estate. "Those blueballed aliens thought it was Richard Simmons's house," Larry grumbled.

Booty worth bumpin' in eight months.

Before I started exercising, I was very fat and lazy. However, I lost about 16 pounds of my cottage-cheese ass cheeks. I tried every dessert. I tried padding. I did everything I knew in order to gain the weight. Butt, nothing worked.

Being booty-deficient left me feeling self-conscious, plus I knew my man was upset that he didn't have anything to hold on to. I wasn't sure where to turn. It should have been therapy. Instead, someone suggested I try Booty Solutions. I decided that if I wanted to be a hootchie mama for my boyfriends, I had to find my inner ass and put it proudly behind me.

Less than a year ago, I started taking the Booty Solutions Wide-Ass Formula, and noticed a difference in less than six weeks. Four months after beginning the Booty Solutions system, I had already gained a smooth, bubble butt. To date, I have accumulated more flesh in my rump than Joan Rivers has stretched over her peroxide-soaked skull. Obviously, I am very pleased.

Between my desire to have a nice, round backside and Booty Solutions's wonderful, natural formulas, I have regained my appetite, self-confidence and my perfect booty. Thanks to Booty Solutions, I have the chance to jiggle.

Thank you, Booty Solutions!

—Ample D'Erierre

These results are not typical.The average consumer should not expect to experience J.Lo-type results. Average wide ass achieved in the clinical trials was one inch per cheek. The Booty Solutions 3-Phase Wide Ass System is based on a behavior-modification program, which involves eating more, eating unhealthily and decreasing physical activity.

HUSTLER'S 2002 BEAVER HUNT GRAND PRIZE FINALISTS

Every month, discriminating pussy lovers step behind their neighbors' closed doors via HUSTLER's world famous *Beaver Hunt*. In this issue, readers of America's Magazine have the unique opportunity to cast their vote for the year's top Beaver. One of the four nominees below will be flown to an exotic locale for a full-length photo-shoot and receive the *Beaver Hunt* $5,000 Grand Prize.

DEANNA

(Beaver Hunt Finalist #1, One for the Choad, March 2002)

Scrumptious, 26-year-old ***Deanna*** brings devilish sweetness to the term "dirty blonde." Deanna unwrapped her box in the Holiday 2001 *Beaver Hunt* with her alliterative yearning for "bisexuality, bubblebaths and being fingered." Exotic dancing keeps the slender Glendale, Arizona, native conditioned for all carnal pursuits. Will Deanna's sticky fingers grab the $5,000 booty and make her the *Beaver Hunt* Grand Prize Winner for 2002? Cast your vote, and give her a hand.

KRISTY

(Beaver Hunt Finalist #2, Two Lips Budding, May 2002)

A compact vixen with grand ambitions, 21-year-old ***Kristy*** crossed over from the February 2002 BARELY LEGAL to compete for $5,000 in the *Beaver Hunt* big leagues. The Green Bay, Wisconsin, exotic dancer's sexual goal is to tie up her boyfriend and then screw "Angelina Jolie while he watches and can't touch us." Does this nubile, would-be stargrazer have a ripe enough blossom to become the 2002 *Beaver Hunt* Grand Prize Winner? Your vote would help stuff her ballot box.

VOTE FOR ONE

CLEO

(Beaver Hunt Finalist #3, Give Praise, September 2002)

A good girl trapped in a bad girl's body, ***Cleo*** first modeled her birthday suit as a Beaver Scout in the February 2002 BARELY LEGAL. At 20, the New Orleans, Louisiana, native lists "having two guys worship me at the same time" as her ultimate fantasy. Does this devout devil have a prayer of becoming the 2002 *Beaver Hunt* Grand Prize Winner? Your vote is worth confessing.

ANDORA

(Beaver Hunt Finalist #4, XXX Games, December 2002)

When ***Andora***, 26, first spread her pink in the July 2002 HUSTLER, she confided that she invents fantasy games and enjoys adventure climbing. The San Diegan dreams of "going to a rock concert in a miniskirt with no panties and getting fucked from behind by a handsome stranger." Will this XXX-treme rocker satisfy her craving by becoming the 2002 *Beaver Hunt* Grand Prize Winner? Your vote could help this gamer become the winning piece.

Crock of the Town

I'd like to thank you for raising awareness of the Unocal/Burma lawsuit ("Reap What You Sue," Bits & Pieces, November 2002 HUSTLER). I'm writing because there are probably a lot of people in the human-rights community who would be too stuck up to commend you. So, I'll say it again; thank you. If you keep including informative items such as this, I'll cancel my subscription to Mother Jones and use the money for a HUSTLER subscription.

—H. A.

It's our pleasure, H. A.; HUSTLER has been helping to shed light on political wrongdoing and little-known news stories for almost three decades. You might as well call (323) 651-2348 and subscribe now; we don't plan on changing our ways any time soon.

Hannah From Heaven

Hannah Harper is something else (Hannah & Ben: Will to Suck Seed, November 2002 HUSTLER). She has just the kind of build I love; a beefy ass, ample jugs and wide-open asshole. I've noticed several video reviews in your Erotic Entertainment department that mentioned the XXX star, but your killer hard-core layout has me convinced. I'm going to run out and rent her videos immediately.

—H. C.
Pembroke Pines, Florida

Hot for Kylie

HUSTLER's December 2002 cover cunt and centerfold Kylie is amazing (Kylie: Edible Complex). The babe's body is perfect, and her face is astounding. She looks like a cross between Tera Patrick and Elizabeth Hurley. Please tell me that you have plans to pair this exquisite slit with a prick. My imagination just isn't going to cut it anymore; I want to see Kylie full of cock.

—J. P.
Bethany, Oklahoma

A Boner for Isabelle

I'm a HUSTLER subscriber and love every issue, but I feel compelled to comment on Isabelle (Isabelle: The Fantastic Fur, October 2002 HUSTLER). I love that sexy bitch. Her asshole looks good enough to eat. That orifice looks so inviting that I almost felt like I could reach out, slide a couple of fingers into the elastic rings and give Isabelle a thorough inner rubbing. That asshole is a real thing of beauty. Larry Flynt puts out the best damn porn magazine on the planet.

Beaver Backgrounds

What's the deal with our nation's bedding? If the photos in Beaver Hunt are any indication, it's high time that most of America makes a trip to the local housewares store to buy some new sheets, pillowcases and comforters. Come on, people; we spend one-quarter of our lives in bed. Why pass that time in ratty, decade-old sheets? I cringe every time I flip through HUSTLER and see the tacky, godawful patterned blankets that are still hanging around. I beg my fellow readers to take those nasty things to Goodwill and buy themselves something new, contemporary and clean. If you insist on keeping that awful crap, at least be smart enough not to pose on it for Beaver Hunt.

—N. P.
Germantown, Wisconsin

We like high-thread-count, Egyptian cotton as much as the next guy, N. P., but you're missing the point of Beaver Hunt. Ignore the sheets, and concentrate on the pussy.

A Ray of Light from the Right

Is it me, or is our country rapidly going down the shitter? I've been checking out LarryFlynt.com lately, and am totally appalled at the kind of shit our elected officials are trying to pull. The last thing America needs is less freedom. That's what the terrorists wanted when they took down the towers. Every right we take away and every Muslim person we needlessly detain is a victory for those bastards. Just because a fella leans toward the right, doesn't mean that he's a stupid dittohead who can't think for himself.

Midnight Lust

I'm in love with Midnight of Minneapolis, Minnesota, from the November 2002 Beaver Hunt. I love modest breasts. Midnight's ta-tas, accentuated by sexy piercings, turn me on like you wouldn't believe. I think that this 18-year-old babe would make an excellent Beaver Hunt finalist. —P. C.

Photo Phonies

You guys have some serious Photoshop skills. The fakery in your ad parody "4 Whillies" in the December 2002 HUSTLER is second to none. If I didn't know that Britney Spears has much larger fake tits, I'd swear that those photos were the real McCoy. Tell your photo doctorers to tackle J.Lo next. Wrong Island

My boyfriend showed me the cartoon of Castro from the November 2002 issue of HUSTLER. Your cartoonist drew the wrong flag. The Cuban flag has red in the background where the star is. The Puerto Rican flag, which you depict, has a white star over a blue background. I thought HUSTLER, being as politically minded as you are, would be on your toes with stuff like this. Please pay more attention in the future. —N. M.

Odd Men Out

Just for curiosity's sake, have you ever published male talent with only one testicle? I find it odd that we don't hear or read much on the subject. I have never found a magazine or movie that glamorizes uniballs as a trend or fetish. So what's the deal? Do shame-ridden, single-nut men avoid the adult industry, or do you turn them away as undesirable? —C. C.

We generally have nothing against men with one nut (Hitler excepted). They just don't have the balls for porn.

PIMPIN' AND HO-IN' IS THE BEST THING GOIN'

Snoop Dogg's charmed life as the crown prince of pimps

interview by Scott Fayner

SNOOP DOGG'S DOGGYSTYLE was more than just a best-selling title for HUSTLER Video in 2001; the rap and porn hybrid outsold every other XXX feature in the land. On the occasion of his second foray into sex cinema, SNOOP DOGG'S HUSTLAZ DIARY OF A PIMP, the Doggfather of hip-hop and pop-shots celebrates with a discourse on his history and philosophy of pandering.

HUSTLER: What makes a pimp?

Snoop Dogg: A pimp is someone who has women, money and style—someone who has great conversation at all times when it comes to women. Personality is definitely a key when it comes to pimpin'.

HUSTLER: What made you decide to become a pimp?

Dogg: It wasn't a lifestyle decision that I made. It's more that you have to be bred to be a pimp. It's in your genes. You can't just go out and put on a suit and grab some bitches and act like a pimp; it has to be in your blood cells.

HUSTLER: Growing up, who were the king pimps in your neighborhood?

Dogg: There were many of them, one named Cecil Fuller, one named Pimpin' Sean. And there was the pimps that was in the movies, like Goldie from *The Mack*. A lot of pimps that I seen growing up didn't have names. They was just pimpin'.

HUSTLER: And you looked up to them?

Dogg: In a real way. I still look up to them to this day. As I get bigger and brighter in the game, I'm nothin' without them. They gave me my inspiration.

HUSTLER: Will a pimp always be a pimp till the day he dies?

Dogg: I think so. But it's not as much as being physical. It's like a football player who retires; he's always gonna be a football player in your eyes, but he's not doing as much as he used to do. But it's still in his balls, still in his life, and he's gonna continue to watch football and support it. Just like pimps are always gonna support pimping.

HUSTLER: What are the characteristics of a great ho?

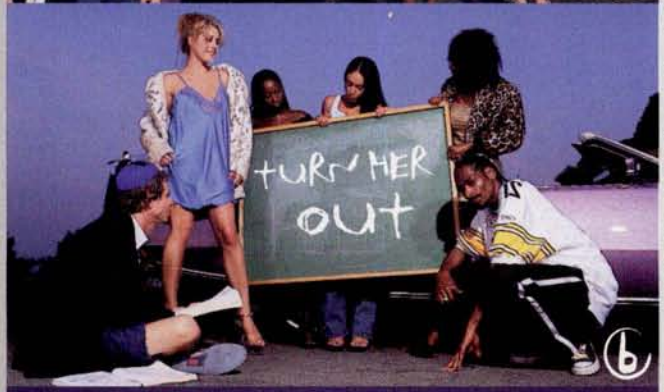
Dogg: A great ho is someone who can turn out any trick, bring back money at any time and stand on the corner, no matter what the weather is like.

HUSTLER: And finding these bitches? Can you just walk up to them?

Dogg: It's not walking up to a girl; it's the girl walking up to you, choosing you. That's the game of Pimp and Choose, you know what I'm saying? A bitch usually chooses you—that's the sign of a real pimp. He never really has to illustrate too much. She chooses to be with this pimp because of his persona, the way he works his work.

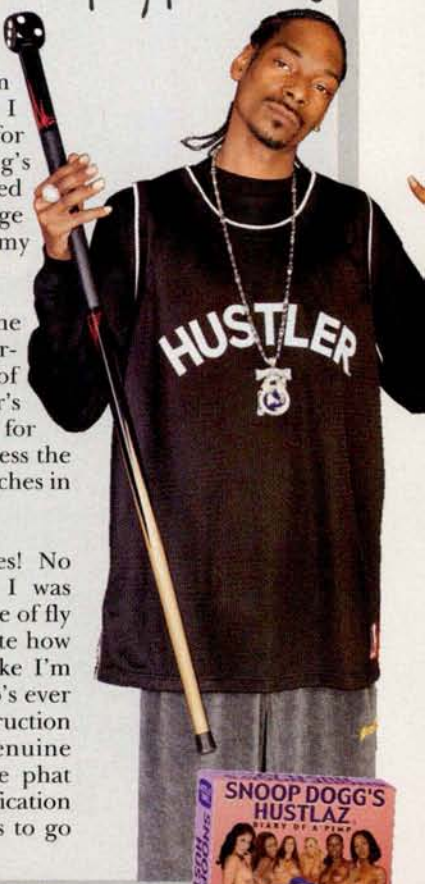
HUSTLER: How do you keep the ho's in check?

Dogg: More or less, conversation, when it comes to me. I never have to get physi-



FLY-ER LEARNING AT SNOOP DOGG'S ACADEMY OF PIMPOLOGY

Surviving a grueling curriculum on pussy profiteering



(a) Like it or not, money and pussy rule the world. And since I'm currently in possession of neither, I dutifully pack my bags and head for the campus of Snoop Dogg's Academy of Pimpology, determined to digest the complex knowledge vital to successfully transforming my sorry ass into a true mack.

(b) Snoop lectures me on the ins and outs of pussy entrepreneurship. I jot down every pearl of wisdom that drops from the master's mouth. Professor Dogg's advice for living the good life as a pimp? "Dress the part! Turn the ho out! Keep the bitches in check!"

(c) Finally, graduation arrives! No longer am I the drooling loser I was before enrolling in Snoop's institute of fly learning. The ho's know it too; note how they drape themselves over me like I'm the king pimp on the block. Snoop's ever the proud mentor. His hard instruction has revealed in me a genuine cunt-slinger. Now I style with the phat ride, the killer ho's and the certification of Snoop Dogg. Time for my girls to go out and earn!

cal when it comes to women, because my conversation is so strong to where I never had to get physical, to have altercations with women in that manner.

HUSTLER: What are the skills needed to run a pimp-and-ho operation?

Dogg: Communication, understanding and loyalty are definitely strengths to the game. Without those three, you lose real quickly.

HUSTLER: What does a pimp spend his earnings on?

Dogg: He spends his cash on himself—on looking good, cars. He spends a few dollars on the ho, 'cause he's nothin' without the ho. He's gotta treat her right and have her looking good in order to keep the money comin' in. It's a numerous amount of things he spends his money on, but for the most part it's on himself, to keep himself looking good, so he can continue to attract women and keep pimpin'.

HUSTLER: And the stable?

Dogg: The stable will take care of itself.

HUSTLER: You play a pimp in the new SNOOP DOGG'S HUSTLAZ DIARY OF A PIMP. What's it all about?

Dogg: It's a movie where I actually get interviewed by a female, and she wants to know what it is about pimpin', and how do I do it. Before the end of the movie, I end up pimpin' on her. 'Cause that's what the game's about. It's called a game, but it's not a game: General Amount of Money Earned. That's what "game" is.

HUSTLER: What was your role in the creation of this movie?

Dogg: Just straight pimpin', and orchestrating every sexual act that you see.

HUSTLER: Was the music specifically made for the movie?

Dogg: Definitely. I have a friend of mine who scored the movie for me. The music videos, I choose songs that I had specifically made for this movie, according to scenes and dialogue.

HUSTLER: Who decided which chicks would be in your porn video?

Dogg: I chose the women. We went over the pictures, and seen what was sharp, what was good and what was bad. We took the best. [Breaks into a rap]: Pimpin' and ho-in' is the best thing goin', when my movie come out you know it's gonna be showin', Snoop D-O double G and the P-I-M-P, I continue to keep growin', I'm like a seed in the ground, I put this pimpin' down, and you know the rest. G's up, ho's down, continue to P-I till I D-I.

HUSTLER: Lastly, and most importantly: Can a white guy such as myself ever dream of one day becoming a pimp?

Dogg: Absolutely. I know a white pimp named Pimpin' White Folk. He's harder than a penguin when it comes to the ho's. He's sharp, real slick.

Feedback Again

My letter expressing objection to Ted Olson being picked Asshole of the Month so close to his wife Barbara's death was printed in your October 2002 edition ("Asshole Supporter," Feedback). I was satisfied to let it go at that until I read your snarky editorial reply. Olson's appearance before the Supreme Court on President Bush's behalf makes him responsible for Bush becoming president. I think that's what sticks in Larry Flynt's craw. Larry was happy to take the same court's decision concerning his First Amendment rights some years ago. I hailed both rulings, but I still think that citing Olson as Asshole of the Month so close to his wife's death is as mean-spirited as it gets. What do you fellow chicken chokers out there think?

—C. S.
Stuart, Florida

Many of them probably thought that Bush gained the White House by earning Florida's electoral votes, but thanks for confirming our suspicions, C. S.

Whore Leave

I am a sergeant in the 101st Airborne currently stationed at Kandahar International Airport. Me and my squad enjoy the hell out of the fuck books we smuggled through customs into this shithole of a country. It's hard to find a Port-a-potty that doesn't stink to high heaven in this heat, but most of us still manage to squirt off a load or two a day. I've built a "jack shack" in the corner of my tent where I enjoy rubbing off loads while perusing a battered copy of the August 2000 HUSTLER. A bunch of us from the Chinook maintenance platoon are planning a trip to Angeles City, Philippines, in a few months. You can rent five whores for 24 hours for only $100 in this place. I've already been there seven times. It's one of the best places for men in the world. The boys and I could send pictures and a trip report if you want.

CLEO AND BELLADONNA

PHOTOGRAPHY BY **CLIVE McLEAN**

"Couldn't you have held your piss until we reached the gas station?" Cleo hisses while her traveling companion squats. "When my pussy tells me something, I listen," Belladonna snaps back to the sonic accompaniment of her golden stream. Cleo licks her lips, lowers her top and inquires, "What's your pussy saying right now?" The brunette toys with her pink bulb. "It says, 'Feed me, bitch.'"

The duo swaps spit in a heated race to rip each other's clothes off. Cleo's tongue plows Belladonna's pussy with warm, full slithers. "Oh, no," Belladonna smiles. "What is it?" Cleo moans. "Now my ass is speaking to me. It's jealous and wants some attention." The blonde smiles in anticipation. "Then turn over and let me talk some shit."

Garden State Pork-Way

I never thought anything this exotic and exciting could happen to me, especially in the chemical toilet in the back of a bus.

I dance topless at a club in Elizabeth, New Jersey. It's a clean joint; you won't catch me flashing my slit there, unless the request comes directly from a cop. But I'll show off my flue just about anywhere else. It's a great conversation starter, and drives men crazy. Exposing myself led to the most intense sexual act I've ever performed.

I was on a Greyhound headed to Atlantic City to entertain some affluent customers at a private party when I found myself unable to hold my pee. As we sped down the Garden State Parkway, I lurched toward the unpleasant smell in the back of the vehicle and shouldered my way into the toilet.

A slight, young man in his late teens, which would make him five years my junior, was already seated in the cramped shit closet. He must have thought the door was locked, because the poor guy was startled and covered up a magnificent boner when he saw me.

I've spent good money, and long hours at the gym and under the knife, to perfect my figure; so I dress to accentuate it. I wore a red bandanna top that failed to completely cover the sides of my caramel-colored, augmented boobs, red fishnets, plus white hotpants and go-go boots.

I wasn't surprised when, after his initial shock, the well-endowed jerkoff pumped his big woody while he stared. What did surprise me was my response. There's just something about a veiny, upright schlong that always fascinates me.

"May I play?" I grinned, crowding into the can with Junior and locking the door. At the mere suggestion, the oversexed, overhung teen came in six big geysers, two of which hit the ceiling; the other four blasts dotted me from chin to crotch.

I knew I could make a young man like this one hard again in a jiffy, but there wasn't room to kneel. This toilet was the smallest space I'd ever shared, and I'm half Puerto Rican. I dipped two fingers into the goo that oozed down my exposed tummy, slowly circling my navel before lifting the stuff to my lips.

I tilted my head back and let Mr. Greyhound's cum drizzle onto my tongue, then lapped at the spoo-gob that clung to my chin.

Junior's cock plumped in response. I removed my soiled bandanna top, unleashed my jugs, and lifted my left leg over the boy. There wasn't room on the floor between his dropped pants and the outside wall; so I wedged my foot next to him on the bench seat and crouched over his throbbing, half-rigid python. Junior's eyes closed when I used the wet spot on my shirt to buff his bone. My permed, auburn hair hung down in his face as I worked his member with both hands.

I really do love big pricks. Cocks are like dogs; you can cuddle a Chihuahua, but if you really want to romp, find a full-grown, hairy, slobbering German shepherd to play with.

My fuckmate had a Great Dane. I toyed with the veiny beast, batting the shaft with my hands and letting my saline-filled milk sacs graze the tip. In response, the young man yanked my shorts down and poked his fingertips through the crotch of my fishnets, rolling the dewy petals of my blossom under his knuckle.

"Kiss my boob," I moaned, tugging his now iron-hard beef bazooka in my clenched, sweaty paw.

This stranger sucked so hard on one knocker that I *(continued on page 43)*

(continued from page 30) thought the nip would detach. Luckily, the two fat fingers that he was gouging my swamped pussy with distracted me from this disturbing vision.

The fellow passenger's unit surged upward. I let the fat dong slide between my massive chest structures—no small feat, given that, the way we were jammed into the privy, he couldn't stand, and I couldn't squat.

My cleavage was already slick with sweat, but I hawked a loogie between my hooters for extra lubrication anyway. The spirited tit-fucker humped away, clamping my milk sacs around his thrusting pole.

I was on the verge of coming when the young man decided to eat me out. Straining forward, he couldn't position his head close enough to my snatch, and I couldn't help him. Junior huffed and, lifting me by the crack, hoisted me up so my knee rested atop the metal sink. He was skinny, but wiry. I let go of the pussy-lickin' teen's wang and pressed my hands against the sloping outside wall.

Junior buried his face in my crack, licking so deep into my pussy that his tongue tore through the weave of my red fishnets. The vibration and jostling of the bus presented a challenge to me as I tried to keep my buzzer from slamming into his teeth.

I was tuning out again soon enough, though, concentrating on the wet muscle that was slipping in and out of my dripping cooch. Unable to move a single limb, I shuddered and rolled my hips from side to side when the young fellow brought me to a twat-rattling climax.

This is the most screeching cum I've ever had, I thought, just before I realized that the motor coach was slowing and the brakes were screaming, not me. I had nothing to grab on to but the teen's head.

The stopping motion brought him upright, and slammed my ass into the wall, punctuating my orgasm with a savage blow to the sphincters. The sloshing brown soup under the seat was now exposed, and made a fresh assault on my nose.

Despite the malodorous onslaught, a warm hum suffused through my body, providing a buzz I hadn't felt since high school, when I did Whippets. Muzzy-headed, my pussy meat stretched by a slobbery tongue, I was ready to tackle the teen's mighty prick.

Which was fortunate, as Junior was up and struggling to clamp my pelvis down over his cock. The kid was a trouper; he banged his elbow on the door twice without complaining before he finally found the right angle and squeezed his thick prong into my steaming clam.

I recall wondering which organ he was bruising, spleen or kidney. But as he pounded his considerable member into my tender, overtaxed pocket, I managed to take it all. I tried to hump the young fellow back, but the start-and-stop motion of the bus meant that any sudden movement could knock one of us into the metal corner of the sink.

When this guy came, each spurt felt like an entire douche, only much hotter. Each successive blast from his massive pud blew cock snot back out of my split, around the base of his thick donger. I shuddered with another climax as his splooge dribbled down my leg and into my right boot.

As the young fuck squeezed his last few ounces of scuzz into me, the driver announced over the tinny speaker that we'd arrived, and that today's casino kickback to passengers was thirty bucks in quarters—slightly more than the price of the fare. Mr. Trump may be a rug-headed, greedy leech, but he sure knows how to get people on the bus.

Junior wanted that casino voucher. He couldn't zip up and exit the can fast enough. I planned to take the money too, but I knew they don't run out, and I couldn't find my shirt. There was no place else in the small room to look; so I peered into the shit tank. A corner of my red bandanna floated near the surface. It all turned out for the best: I was able to fashion a bikini top out of my wrecked fishnets, which went over big at my business appointment. —V. O.

Videocassette: Legend Video.

Some argue that storylines can only slow down porn. *Vice Squad*, from director Jerome Tanner and writer Nelson X, proves that a good yarn makes great hard-core even better. The flick is set in the near future, where morality is legislated, making most sexual practices illegal. Hannah Harper plays a rookie cop á la *Training Day*, who is paired with Brittany Skye, a renegade detective. The crack team of smut-busters dirty their hands (and knees) while cleaning up the streets. Hannah, while waiting for backup, is forced to literally blow her cover. Skye interrogates a skeevy porn dealer by slurping his joint, then riding his rod. Mika Tan, guilty of premarital sex, swallows the incriminating sperm; so a male officer is sent in to "plant" more evidence on the perp's face and hair. *Vice Squad*'s clever script sets a context for each blazing screw, making filthy sex acts all the more nasty. ***—Nicholas Veridian***

The Year in Smut

CLIMAXES AND LOW BLOWS OF 2002

For every Fully Erect hard-core masterpiece *Erotic Entertainment* reviews, there's a Totally Limp boner-killer lurking in the shadows. HUSTLER's hardened critics take a look at the past 12 months of porn and separate the craptastic from the sphincterrific.

>>**Best New Girls:** Vince Vouyer's Red Light District titles—*Throat Gaggers*, *Cum Drippers* and *XXX Road Trip* sport the finest young flesh, but also deserve kudos for best Diabolic/Anabolic rip-offs.

>>**Worst Production Values:** Sandy Bunz—The most literal of amateur directors lowers crappy lighting to an art form, and the shittiness still shines through.

>>**Best Director:** Jules Jordan—He fucked his way to the top and perfected his gonzo chops along the way.

>>**Worst HUSTLER Video:** *Mr. Beaver #11*—Nobody's perfect. Dick Beaver's lower body is proof of that.

>>**Best HUSTLER Video:** *Anal Intensive*—Pierre Woodman boils butt-fucking down to its hard-core essence.

>>**Worst Trend:** Dick-filled screens—Nine cocks + one cunt = ⅞ gay.

>>**Best Trend:** Natural Bodies—Spend that tit-job money at Sephora, girls.

>>**Worst Tease:** Tera Patrick—Two flicks a year just aren't enough, but if the Digital Playground babe at least had the decency to make one of those appearances anal, we'd consider unzipping.

>>**Best Revival:** *Buttslammers #20*—Bruce Seven's lubed-up legacy lives on in this excellent all-girl offering.

>>**Worst Video to Be Caught Watching:** *Sluts With Nuts* (Elegant Angel)—You were just curious? Yeah, right—if you're using "curious" as a synonym for queer.

Rocco

>>**Best Foreign Chick:** Nikita Denise—Sure, tons of hotter Euro-babes pop up all the time, but what have they done for us lately?

>>**Worst Foreign Chick:** Rocco Siffredi—He may tear ass, but you just know the fussy Italian import watches *Sex and the City*.

Jewel De'Nyle's Wild Ride

Directed by F. J. Lincoln.
Starring Jewel De'Nyle, Nikita Denise, Ann Marie, Bobby Barrington, Julian, Marty Romano, Lee Stone and Billy Glide.
Videocassette: Adam & Eve Productions.

Jewel De'Nyle's Wild Ride features the eponymous sperm burper at her noisy best—angrily huffing schwang and opening her well-traveled shitpipe for penile assault. Had this stroke vid stuck to letting Jewel gorge herself on man root, it would have earned double-fisted jerks throughout its running time. Instead, Jewel must also "act" her way through the tale of a grifter chick whose life is changed by love. The moon-faced strumpet's charm definitely wanes when she coos, "Let's go to our special place" to grease-ball Marty Romano instead of catching spunk on her tongue. Impatient pervs will find themselves fumbling for the fast-forward button during such dramatic interludes. Nikita Denise makes a brief appearance during which she impales herself on Julian's blood sword. The sultry Euro-slut's anal handiwork isn't enough to keep *Jewel De'Nyle's Wild Ride* from breaking down.

—Clive Thurstwood

Skate Trixxx

Directed by Christian D. Angel.
Starring Dee, Jenna Haze, Kianna, Calli Cox, Ryan Meadows, Inari Vachs, Tony Pounds, Pancho Moler, Steve Hatcher and Tyler Wood.
Videocassette: Video Team.

Proving there's always room for one more cliché on the blue screen, *Skate Trixxx* rehashes the "extreme" sports porn wheel by giving strokers mediocre skateboarding action to fast-forward past. Traditionalists needn't worry though. After the boys are done tooling around on their decks, the paid fuckers still deliver painfully acted setups. Tony Pounds plays a rebel skate rat who is constantly harassed by the man (Calli Cox in police duds that look more like a Hooters uniform) for riding his board outside the local courthouse. Kianna, a lawyer, rescues Pounds, escorts him to her office and reveals her enormous jugs to the chump. Pounds shows his thanks by munching the counselor's mound. Later, the lecherous skate rat confronts the fuzz, shoving his prick into Calli's mouth and cunt before unloading onto her tongue. Outside of the carnal chicanery, *Skate Trixxx* is about as fun as a skinned knee.

Rush

Directed by Nic Andrews.
Starring Devon, Alexa, Aria, Avy Scott, Jezebelle Bond, Cheyne Collins, Barrett Blade, Lezley Zen, Omar Montana and Mike Horner.
Videocassette and DVD: Digital Playground.

Devon ably sucks and fucks her way through *Rush* with her newly inflated lips frozen into a perpetual blow-up doll pout. This big-budget XXX feature could easily pass for a cable crime flick were it not for the graphic close-ups of sexual penetration. It's a shame that Devon's pixie-whore take on Bonnie teams up with Barrett Blade, who portrays Clyde reimagined as a guy who wishes he were in Korn. Still, Devon prevails by keeping wands at attention in three steamy scenes. As a bonus, the starlet's sweaty garage rut with grease monkey Cheyne Collins ends with Barrett shooting Collins dead. A sapphic coupling featuring all-natural starlets Avy Scott and Jezebelle Bond is another carnal highlight. Former Wicked girl Alexa's ability to look gorgeous during defilement and Devon's steady intake of cock will make furious wankers slow down and savor *Rush*.

—C. T.

The Ozporns

Directed by Antonio Passolini.
Starring Tawny Roberts, Chloe, Nikita Denise, Sindee Coxx, Tanya Danielle, Calli Cox, Aria, Samantha Sterlyng, Tina Tyler, Baz, Steve Hatcher, Pat Myne, Marty Romano, Kyle Stone, Rick and Cheyne Collins.
Videocassette: VCA Pictures.

The only thing more annoying than reality-TV shows are smut parodies of reality-TV shows, but *The Ozporns* makes up for its disagreeable premise with plenty of hard-rocking anal action. Pat Myne and Cheyne Collins tag-team Nikita Denise, crowding the Ruski's muff and poop port with simultaneous pelvic pistons. Aria and Samantha Sterlyng ride a pair of rods in the Ozporn living room. Sterlyng squats on a tool, taking the girth into her turd hatch and bouncing like a Ritalin kid. Aria ends her back-door escapade by catching a snotty fusillade of splooge on her face. Tawny Roberts bangs Rick, a lame white rapper, in the bathroom. The wiggy knucklehead stabs Roberts's sphincters, then erupts onto her tongue. Libidinal highlights aside, the annoying British accents from Baz and Tina Tyler, along with the equally grating screeches of *The Ozporns*' kids, almost make a marathon of *The Osbournes* reruns seem preferable.

Crazy About You

Directed by Jim Enright.
Starring Gina Lynn, Breena, Krystal Summers, Kimi Lixx, Monica Mayhem, Gina Ryder, Randy Spears, Lee Stone, Dale D'Bone and Steven St. Croix.
Videocassette: Pleasure Productions.

Crazy About You is custom-made for those misguided souls who consult hard-core pornography for advice on relationships. Fist-fuckers with a lick of sense will be justifiably bewildered by the film's brief violations and endless conversations. Lab-engineered fuck machine Gina Lynn perpetually frets about her affair with rampant asshole Steven St. Croix. Her circle of surgically enhanced friends adds to the whiny cacophony by yammering about Gina's romantic troubles as well. Occasionally the sewing circle pairs off to remind viewers that they are, in fact, watching smut. In one of the better trysts, Krystal Summers's inflated chest sacks heave dangerously as she rides Lee Stone's warped wiener. Most of the sex is routine couples fare. Only Krystal's moans are music to degenerate ears, especially when the vixen enjoys a gooey tongue glazing. The underuse of prime porn snatch in *Crazy About You* will drive most strokers bonkers. **—C. T.**

Ron Jeremy's on the Loose: Venice Beach

Directed by Ron Jeremy.
Starring Mandy Roberts, Phoenix Ray, Leanna Hart, Taylor Rain, Holly Halston, Brittany Skye, Ron Jeremy, Brian Surewood, Tice Bune, Troy Halston and Mark Woods.
Videocassette: Metro Inc./Gonzo.

VENICE BEACH, California—Animal Control received hundreds of phone calls reporting sightings of a giant, overweight hedgehog. Investigation revealed the encounters to be filler material for the pornographic film *Ron Jeremy's on the Loose: Venice Beach.* In the video, the actor, famous for his adipose, hirsute frame and longevity in the adult industry, roams the shoreline, signing autographs, posing for pictures and spoiling the appetites of cafe diners. Later, the "swordsman" retires to his stretch limo, where he films the hard-core content of his film. In one scene, Brian Surewood couples with his silicone-enhanced co-star, Leanna Hart. The pair screws furiously while Jeremy looks on, clutching his crotch. Authorities claim *Ron Jeremy's on the Loose: Venice Beach* is harmless filth, but they warn that sensitive viewers should steer clear of the final, harrowing moments when Brittany Skye fellates the portly gent. **—N. V.**

Babes

Directed by Frank Thring.
Starring Aria, Luisa de Marco, Maya, Sandy Style, Sharon Babe, Sylvia Lee, Violette, Choky Ice, Frank Gunn, James Bosworth and Joel Lawrence.
Videocassette: HUSTLER Video.

Murder disrupts a tropical calendar shoot in *Babes.* The fallen model's fellow tramps grieve by allowing a Euro-mook wearing a coral necklace and tangerine shirt to drill their dumpers. Odd, continental-porn-stud fashion aside, the scene is a prime example of the raw nastiness that's typical of this lush vid. The sleuthing element of the story takes a back seat to the quest for perfect carnal knowledge of the stunning American and foreign hussies who populate the island paradise. As the deceased wench, even Aria manages to sneak in a steamy rut. The striking, dark-haired siren would have been welcome in a few more scenes, since the rest of the snatches are pretty tough to tell apart, particularly when their faces are buried in crotch during an early orgy scene. Otherwise, gorgeous locations and an endless supply of prime beef flaps make *Babes* a hard-core romp worth killing for. **—C. T.**

Chatterbox

Directed by Cleo Edwards.
Starring Brianna Banks, Ann Marie, Cherie, Bree Brooks, Kiwi, Evan Stone, Tony Tedeschi, Bobby Vitale, Marty Romano, Brian Surewood and Nikko Night.
Videocassette: Vivid Video.

As if porn videos don't already waste too much time allowing starlets to mangle their dialogue, *Chatterbox* stars Brianna Banks as a girl with a talking cunt. The tramp's crotch moves up and down, blurting out wisecracks in a sour, grating voice. Her co-star, Evan Stone, has a talking orifice too. His loudmouthed anus is the kind of thing you'd expect to see in a gay porn vid or a William S. Burroughs novel. Because of all the attention paid to man-ass, she of the speaking slit is the offering's only saving grace. Bobby Vitale bangs the leggy starlet, pounding her rectum ferociously before spurting splooge onto her talkative snatch. Later, Evan Stone finger-bangs Banks's chatty poontang on a school bus. His cock and digits keep the gabby cooze quiet for a while. Thankfully, viewers are spared the sight of Stone's nether-gob being silenced in the same way. *Chatterbox* is best when it shuts up and fucks. **—N. V.**

Babes: *Doug was in clear violation of the nudist-colony dress code, but felt too good to care.*

Babes: *"Damn, baby. I love that horsey Julia Roberts laugh of yours."*

Chatterbox: *"I signed with Vivid, and all I got was this lousy tit job."*

Jules Jordan

GONZO'S GOLDEN BOY

It's a dirty job, but somebody has to do it.

Last spring, a little-known pornographer named Jules Jordan walked away with the 2002 XRCO award for Best Director. Prior to this precocious achievement, Jordan was merely an avid porn consumer who worked as a video-store clerk and manager, then as a salesman for a XXX distributor. Since then, the camera-toting perv has helped discover onetime Vivid girl Devon (whom he fucked on film in Vivid's *Devon: The Lost Footage*) and become one of the industry's best-selling directors. *Erotic Entertainment* quizzed the blue-screen lenser on his heroic climb to the top of the gash heap.

HUSTLER: In the beginning, how desperate were you to shoot porn flicks?

JORDAN: I actually fucking drove [from Pennsylvania] to North Carolina to a club a girl was dancing at to proposition her to do a movie. That was the distance I'd go to try to find talent back then.

HUSTLER: What was your primary motivation? Just to fuck girls?

JORDAN: I've always had girlfriends. I just really wanted to make the movies. I thought it was kind of adventurous.

HUSTLER: What was Devon like before she was a star?

JORDAN: Devon pretty much blew me away the first time I met her. We ended up fucking in the back of my car outside of her apartment the same night I met her. I tried to brush off her advances at first, because I didn't want to seem like a cheesy porno guy. I wanted to shoot this girl.

HUSTLER: You wanted to be professional.

JORDAN: I tried to be. You can only be professional until a chick grabs your dick.

HUSTLER: What do you think about where Devon's at now, with her tit job and inflated lips?

JORDAN: That kind of mentality is a delusional, wanna-be mainstream thing. A lot of these girls just have low self-esteem, and they think that everything in the world is wrong with them.

HUSTLER: Is it possible to do good porn with condoms?

JORDAN: Porn is about fantasy. Condoms are not about fantasy. That movie *Conquest*, these guys are [portraying] pirates, and they're wearing condoms. That's not fantasy.

HUSTLER: What starlet would you most like to fuck for one of your flicks?

JORDAN: Probably Jenna Jameson. I think she has a sexuality to her that hasn't been tapped on video.

HUSTLER: What's the toughest thing about performing on tape?

JORDAN: Some days, for no rhyme or reason, your dick just won't work right.

Jules Jordan's titles, including the Ass Worship and Flesh Hunter series, are available from Evil Angel.

Spring Chickens: *Treat your cock to fresh-from-the-farm goodness.*

Raincoater's Point of View: *"Easy, pal. That cheek isn't made of rubber."*

Passport to Prague: *"We love American dick almost as much as we love American money."*

Spring Chickens

Directed by Jon Dough. **Starring** Sugar Kane, Karianna, Lynn Dumaire, Ashley Morgan, Jada, Ashley Blue, Mario, Eric Everhard, Mr. Marcus and Jon Dough. **Videocassette:** Diabolic Video Productions.

In a stroke of good fortune, every single one of the hatchling ho's in *Spring Chickens* possesses a profound love of sucking dick. Their fondness for butt plunder and double penetration, however, varies. Brunet tramp-in-training Ashley Blue grimaces as she takes on the multi-pronged assault of Jon Dough and horse-hung soul brother Mr. Marcus. After her holes are stretched out on a bare, blue mattress, the watery-eyed nymphet manages to gulp down a mouthful of splooge. Icy Asian hottie Jada seductively melts when her sushi taco is stuffed, but infuriatingly doesn't go in for any kinkier fare. Dopey slut Lynn Dumaire sports a perfect set of youthful tits and a pea-brained willingness to do anything she's told. Bare-bones production makes the proceedings a bit grim, but *Spring Chickens* is sure to compel fans of fresh meat to crow. **—C. T.**

Raincoater's Point of View

Directed by Vince Vouyer. **Starring** August, Lolly, Vanessa Rubec, Loni, Celine, Taylor Rain and a gang of anonymous dicks. **Videocassette:** Red Light District.

Just about every XXX flick, *Raincoater's Point of View* included, strives to provide sexual arousal and, hopefully, the desire to rub off a tablespoon or so of jizz. When a jerkoff watches porn, he imagines himself taking part in the action. It's his lap log that slides into Vanessa Rubec's cunt, inspiring the Latina cutie to moan, "My God, you have a big dick." The first-person perspective employed by director Vince Vouyer makes this leap easier. When Taylor Rain's cute mouth wraps around an onscreen cock, it's easier to imagine that the joint is the viewer's because the camera looks down on the dick, and the hottie at the end of it, from a torso's distance. Extremely fuckable talent, such as Marisa Tomei lookalike Celine, seals the deal. The opening babe's sultry voice and smoking bod are irresistible. The fuckers behind *Raincoater's Point of View* aren't pioneers, but they do succeed in dragging strokers into the action better than most pornographers. **—N. V.**

Passport to Prague

Directed by Richard Mailer. **Starring** Sylvia Lancome, Suzie, Sue, Katka Lee, Charlotta, Venus, Black Queen, Frederica, Dieter Von Stien, Andrea Moranty, Claudio Villa and Robert Rosenburg. **Videocassette:** Wicked Pictures.

The stunning array of Czech cooze in *Passport to Prague*'s six vignettes helps the vid overcome the irritating goofiness that plagues most foreign-made sleaze. In a segment dubbed "Dance Fever," hot, young tarts Suzie and Sue take turns gobbling the crotch bone of a mop-topped goon who blurts mangled English and struts like a retarded Denny Terrio. Despite the asinine setup, the lap-stiffening sight of these all-natural ingenues makes it impossible not to break out into fist-pumping applause. An underwater boff with voluptuous brunette Frederica is expertly shot, showcasing the action above and below the surface. Elsewhere, a majestic castle estate hosts a memorable outdoor violation. It's good to see that the fall of communism has opened up Eastern Europe's fleshy riches to America's perverts. *Passport to Prague* celebrates the new world order with blazing hard-core. **—C. T.**

Dear Slut

Jeanna Fine Tells the Fucking Truth

Five-Finger Statute

Is there a law that specifically bans fisting in porn videos? I've seen four-finger insertion and fist-shaped dildos, but never the whole shebang. I have heard that pornographers often shoot fisting in scenes, then edit the act from their final product. I would love to see an honest-to-God paw squeeze into a starlet's love box. Is there a state I can move to where fisting tapes are allowed? —A. K.
via Internet

Move to Europe. Unexpurgated fisting is nearly impossible to find in the States. My co-stars and I often tried to sneak fisting past the editors, but they always cut the footage out. They often required that a fifth digit be visible at all times, just to make it clear that fisting wasn't taking place. The irony is that most states don't have explicit laws against fisting; the ban is just one of the self-imposed taboos that the porn industry has created to keep antiporn elements at bay.

Molest Friends Forever

Everybody jokes about playing doctor, but my memories of such "innocent" moments creep me out. Even though I was only a year older than my playmate, I can't help but somehow feel responsible for our actions. In a way, I believe I was a sexual abuser, even though I was too young to know any better. What can I do to be rid of this guilt? —M. G.
Mobile, Alabama

Let it go. You were both children who were innocently exploring the mysteries of human sexuality. Seek counseling if you need to, but don't let guilt weigh you down. You weren't an abuser.

There's No "I" in Gay

Every time my buddy puts away too many beers, he starts talking about tag-teaming chicks. He just won't let the subject rest. One time he said it would be really cool to be fucking a chick, then look up to see my cock in the whore's mouth. He's giving me the creeps; is my pal secretly queer, or just fixated on threesomes? —V. P.
Orangeburg, South Carolina

You never know. Being turned on by seeing a dick is much different than wanting to touch a cock. There's a good chance that your friend is not the least bit gay, but only aroused by the sight of a babe being worked over. On the other hand, his tendency to continually bring up threesomes when wasted could be a sign of latent swishery. The next time your pal passes out, inspect his porn collection. If you find Richard Simmons workout tapes or trannie videos, head for the hills.

Chick Porn

I think that the whole idea of "couples porn" is ludicrous. I don't believe that women are turned on by candles, soft-focus camera work, frilly pillowcases, Enigma-esque soundtracks and boring relationship plots. Do me a favor, Jeanna; tell me what women really want in a porn flick. —J. V.
Totowa, New Jersey

I like to see artfully executed, explicit sex. Michael Ninn's videos are a perfect example. The fucking is as hard as an Eskimo's nipples, but not clinical. You see every stroke, but aren't assaulted with harsh lighting and ass pimples. That said, don't underestimate the power of couples porn. I'm a sexually open woman and former porn star who is completely comfortable with my sexuality. Some girls who haven't made a living screwing on camera need kinder, gentler porn to soften the path to perversion.

Newbie Lesbo

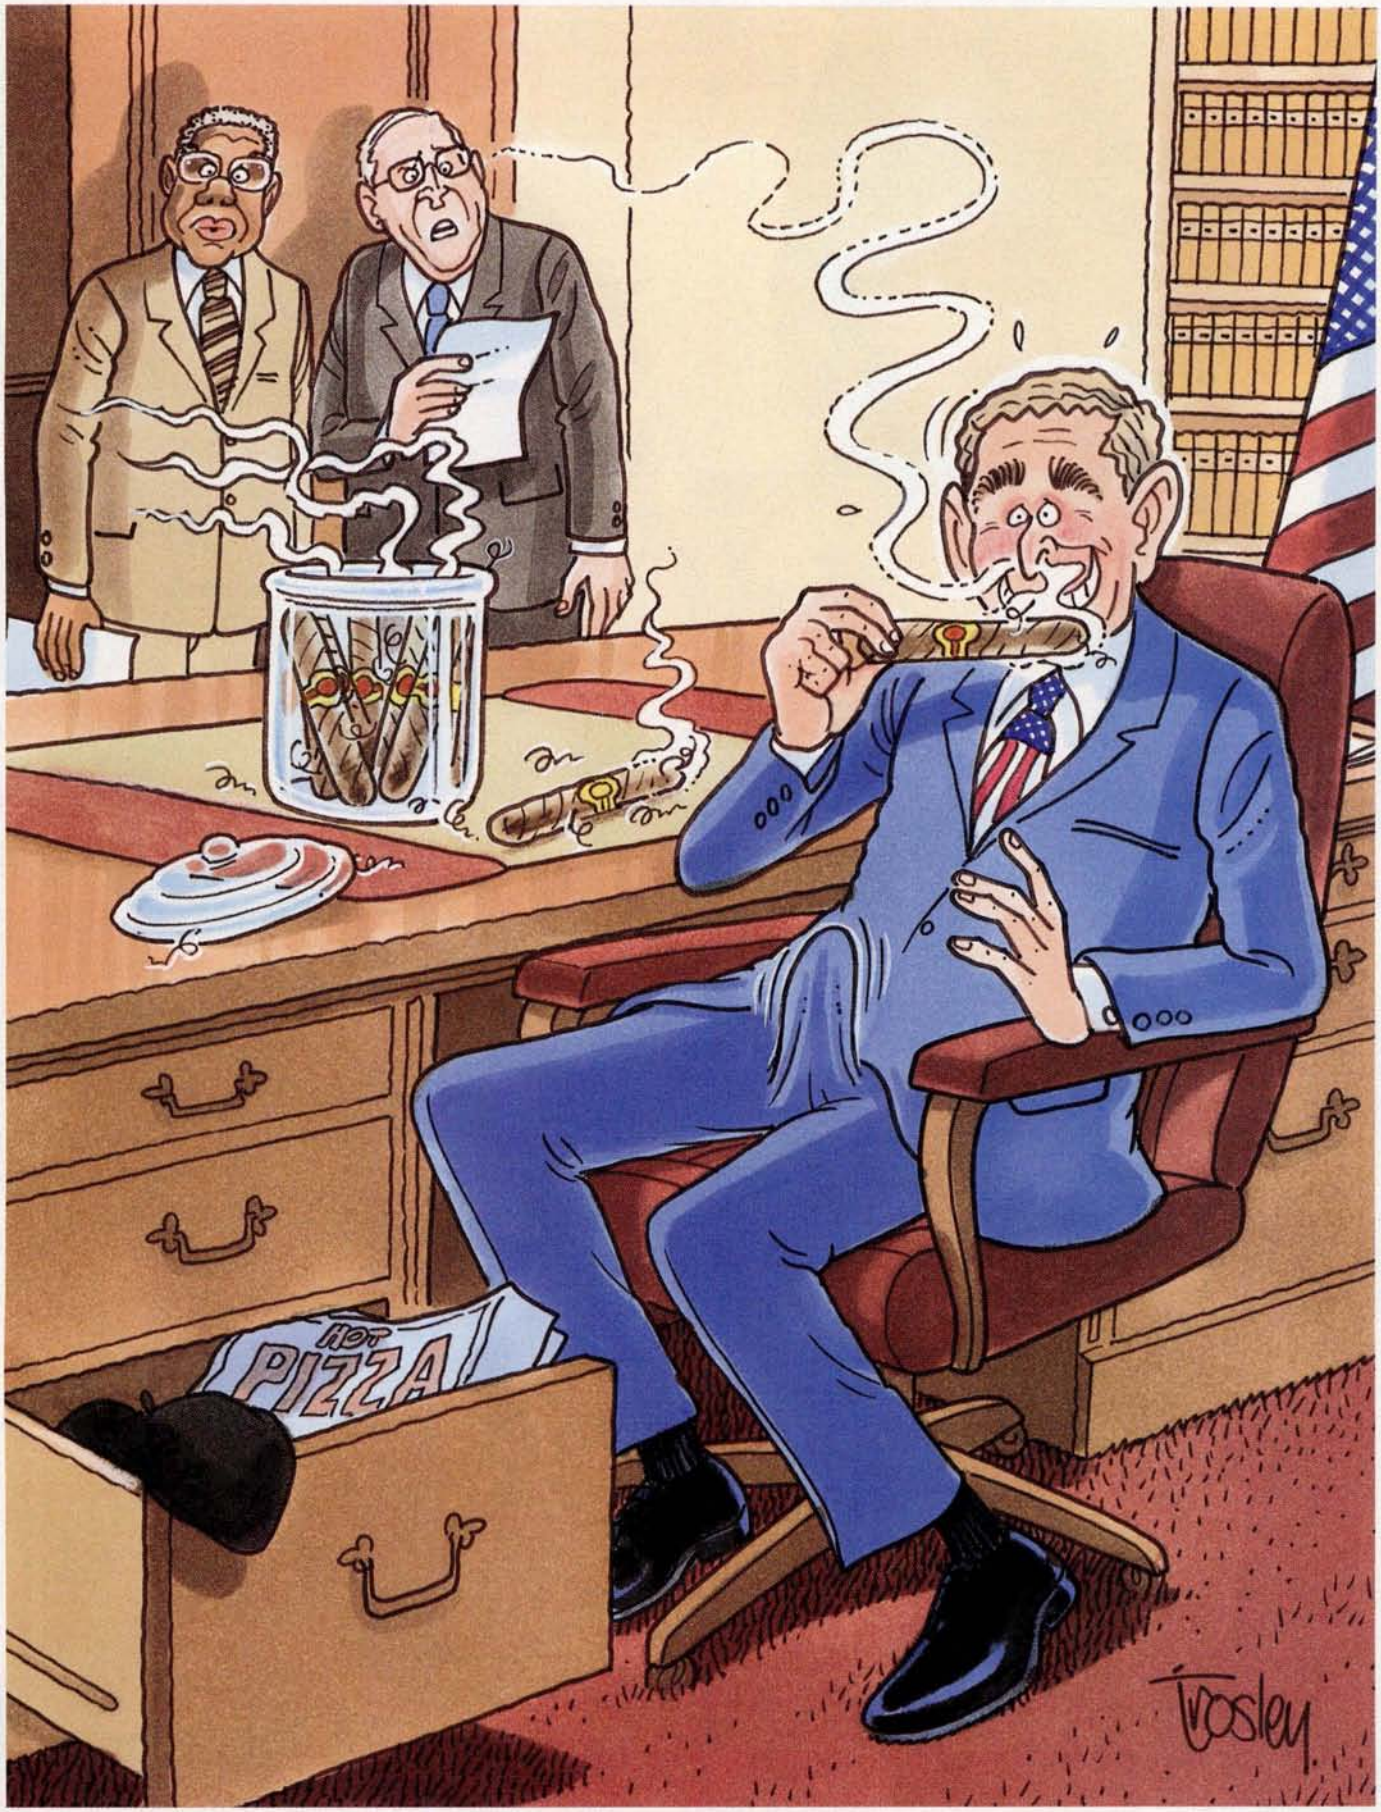
I'm a good-looking, 22-year-old babe with perky breasts. Not too long ago, my husband introduced me to vibrators and anal sex. Since then, I've experienced a libidinal awakening. HUSTLER's scorching lesbo action has piqued my interest in pussy. I now regularly fantasize about taking part in a threeway with my husband and another fine chick. How does a girl find a hot babe to teach her the ways of bisexuality? —H. W.
Topeka, Kansas

There are many approaches to finding sex partners. Check out the Internet, bisexual bars, swing clubs and classified ads to determine which scene best suits your personality. It's also vital that you and your husband are confident that jealousy won't tear your relationship apart. A lifelong love is not worth risking for an hour-long fling.

Gulp and Squirt

I've just started deep-throating my man's tool, which I love doing, but I've been experiencing a strange side-effect to dick gobbling lately. The first couple of times I gulp down his joint, I piss myself, even if I have an empty bladder. What's going on? Am I the only woman that squirts when she blows? —D. L.
via Internet

Activity in the esophagus should have no effect on the bladder, but if you're choking on bone, your gag *(continued on page 62)*



"He's been distracted.... He found a humidor from the previous administration."

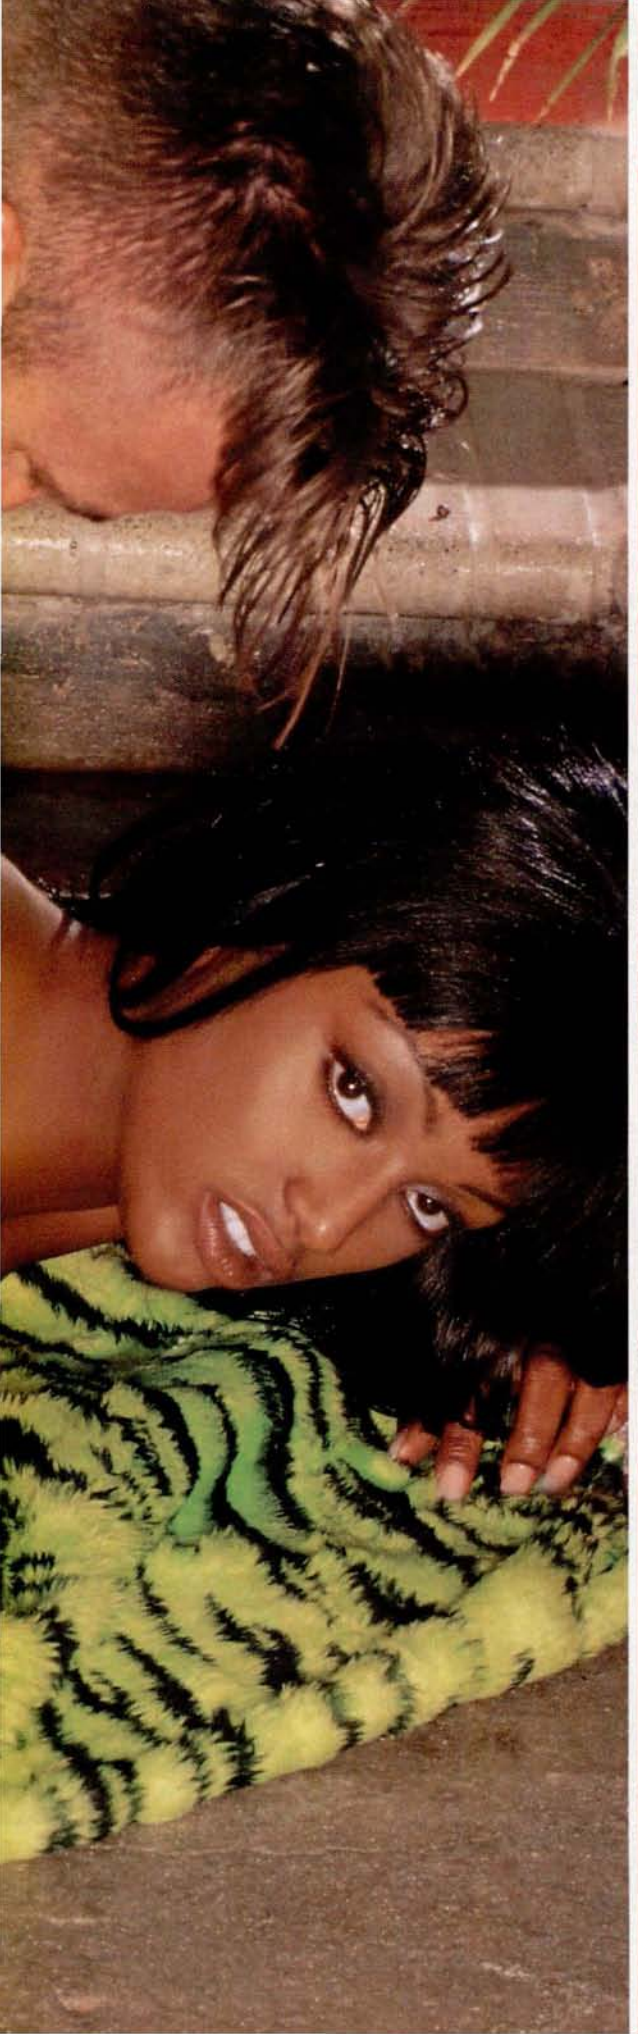
CASHMERE

MONSTER BALLERS

BRUTUS

"I smother my men," the saucy Cashmere grins, "but in the good way. I'm a take-charge woman. My ancestors were the pharaohs, okay? If some man wants to invade my tunnels, he's going to play by my rules."

Cashmere rides asp in YOUNG SLUTS #2, YOUNG AND BLACK, and DIARY OF A PIMP VHS and DVD from HUSTLER Video. Call (877) 325-6464 or visit www.shophustler.com to order.



"I've been really into banging crack whores lately. They're cheap, desperate and easy to find."

(continued from page 52) reflex could be triggering muscle spasms throughout your body. Have you ever wet yourself while vomiting, sneezing or laughing? If so, you may be suffering from the early stages of incontinence. Seek the advice of a doctor. Treatment will help stop the leakage.

Erroneous Erogenous Zones

My girlfriend claims that her last lover could give her an orgasm just by sucking and flicking her nipples. I have a hard enough time making the bitch come with a half gallon of lube and a hook-shaped dildo. I've tried nibbling, biting, twisting, licking and chewing her nubs, but I can't make the girl climax without working her cunt. Am I a lousy lover, or is my girl just lying to make me work harder?

—I. N.
Indianola, Iowa

Different partners have different chemistries. It's possible that your predecessor's pillow talk and foreplay were powerful enough to push your woman over the edge. Consider, though, that as we become older and more experienced, we often need more stimulation to become aroused. There's a good chance that your girl has simply become desensitized. Either way, she shouldn't be complaining. You seem to be putting in the hours.

Hooker Addict

I've been really into banging crack whores lately. They're cheap, desperate and easy to find. My favorite thing to do is to drive up to one and wave a vial of rock in her face. For some reason, a flash of junk makes them far more excited than twice the cash equivalent. My buddy is also an avid whoremonger, but he says that what I'm doing is immoral. Just because I don't go for high-class prossies doesn't mean I'm any worse than my friend, right?

—M. C.
Arlington, Texas

Street whores have a tough life. Cops chase them, pimps breathe down their necks, johns beat them, and serial killers target them. The last thing these pitiful women need is some scumbag preying on their weaknesses. I don't think there's anything immoral about paying a woman for sex, but taunting and manipulating an addict with drugs is shitty to the extreme. Your dehumanizing behavior is inexcusable. Cut it out.

Dirty Lingo

A recent episode of South Park dealt with sex education. The following terms were used: piledriver, Dirty Sanchez, hot lunch, donkey punch, glass-bottom boat, chili dog and fish eye. I've always considered myself an experienced guy, Jeanna, but I've never heard of these acts. Please educate me.

—R. S.
Morgantown, West Virginia

To "piledrive" is to pound a twat vertically. Fuck a girl in the ass, then draw a shit mustache on her face, and you've executed a "Dirty Sanchez." A "hot lunch" is a load of shit dumped directly into your mate's hands. A "chili dog" is cooked up when you titty-fuck jugs with a turd as a topping. The "glass-bottom boat" is a Saran Wrap barrier that protects your face from shit. "Fish eye" is both a synonym for a babe's anus and the look a girl gives you when you're banging her from behind and shove a finger in her ass. The "donkey punch" is a blow to the back of your partner's head during anal sex, which reputedly will cause her sphincters to tighten and potentially land you in jail.

PRISCILLA

Warm water dances off Priscilla's hard body. It isn't a nude beach, but the liberated nymph makes it one. "I know why you're staring," the proud exhibitionist tells an embarrassed onlooker. "It's not that you haven't seen a pussy before; you just haven't seen one as nice as mine."

With the sands of Cabo washed off her athletic form, Priscilla retreats to her porch to make a more personal splash. "Some women buy dildos because they can't stand men," she smiles. "I just like to fuck. It's a 24-hour cock, and a pussy this hungry needs one."

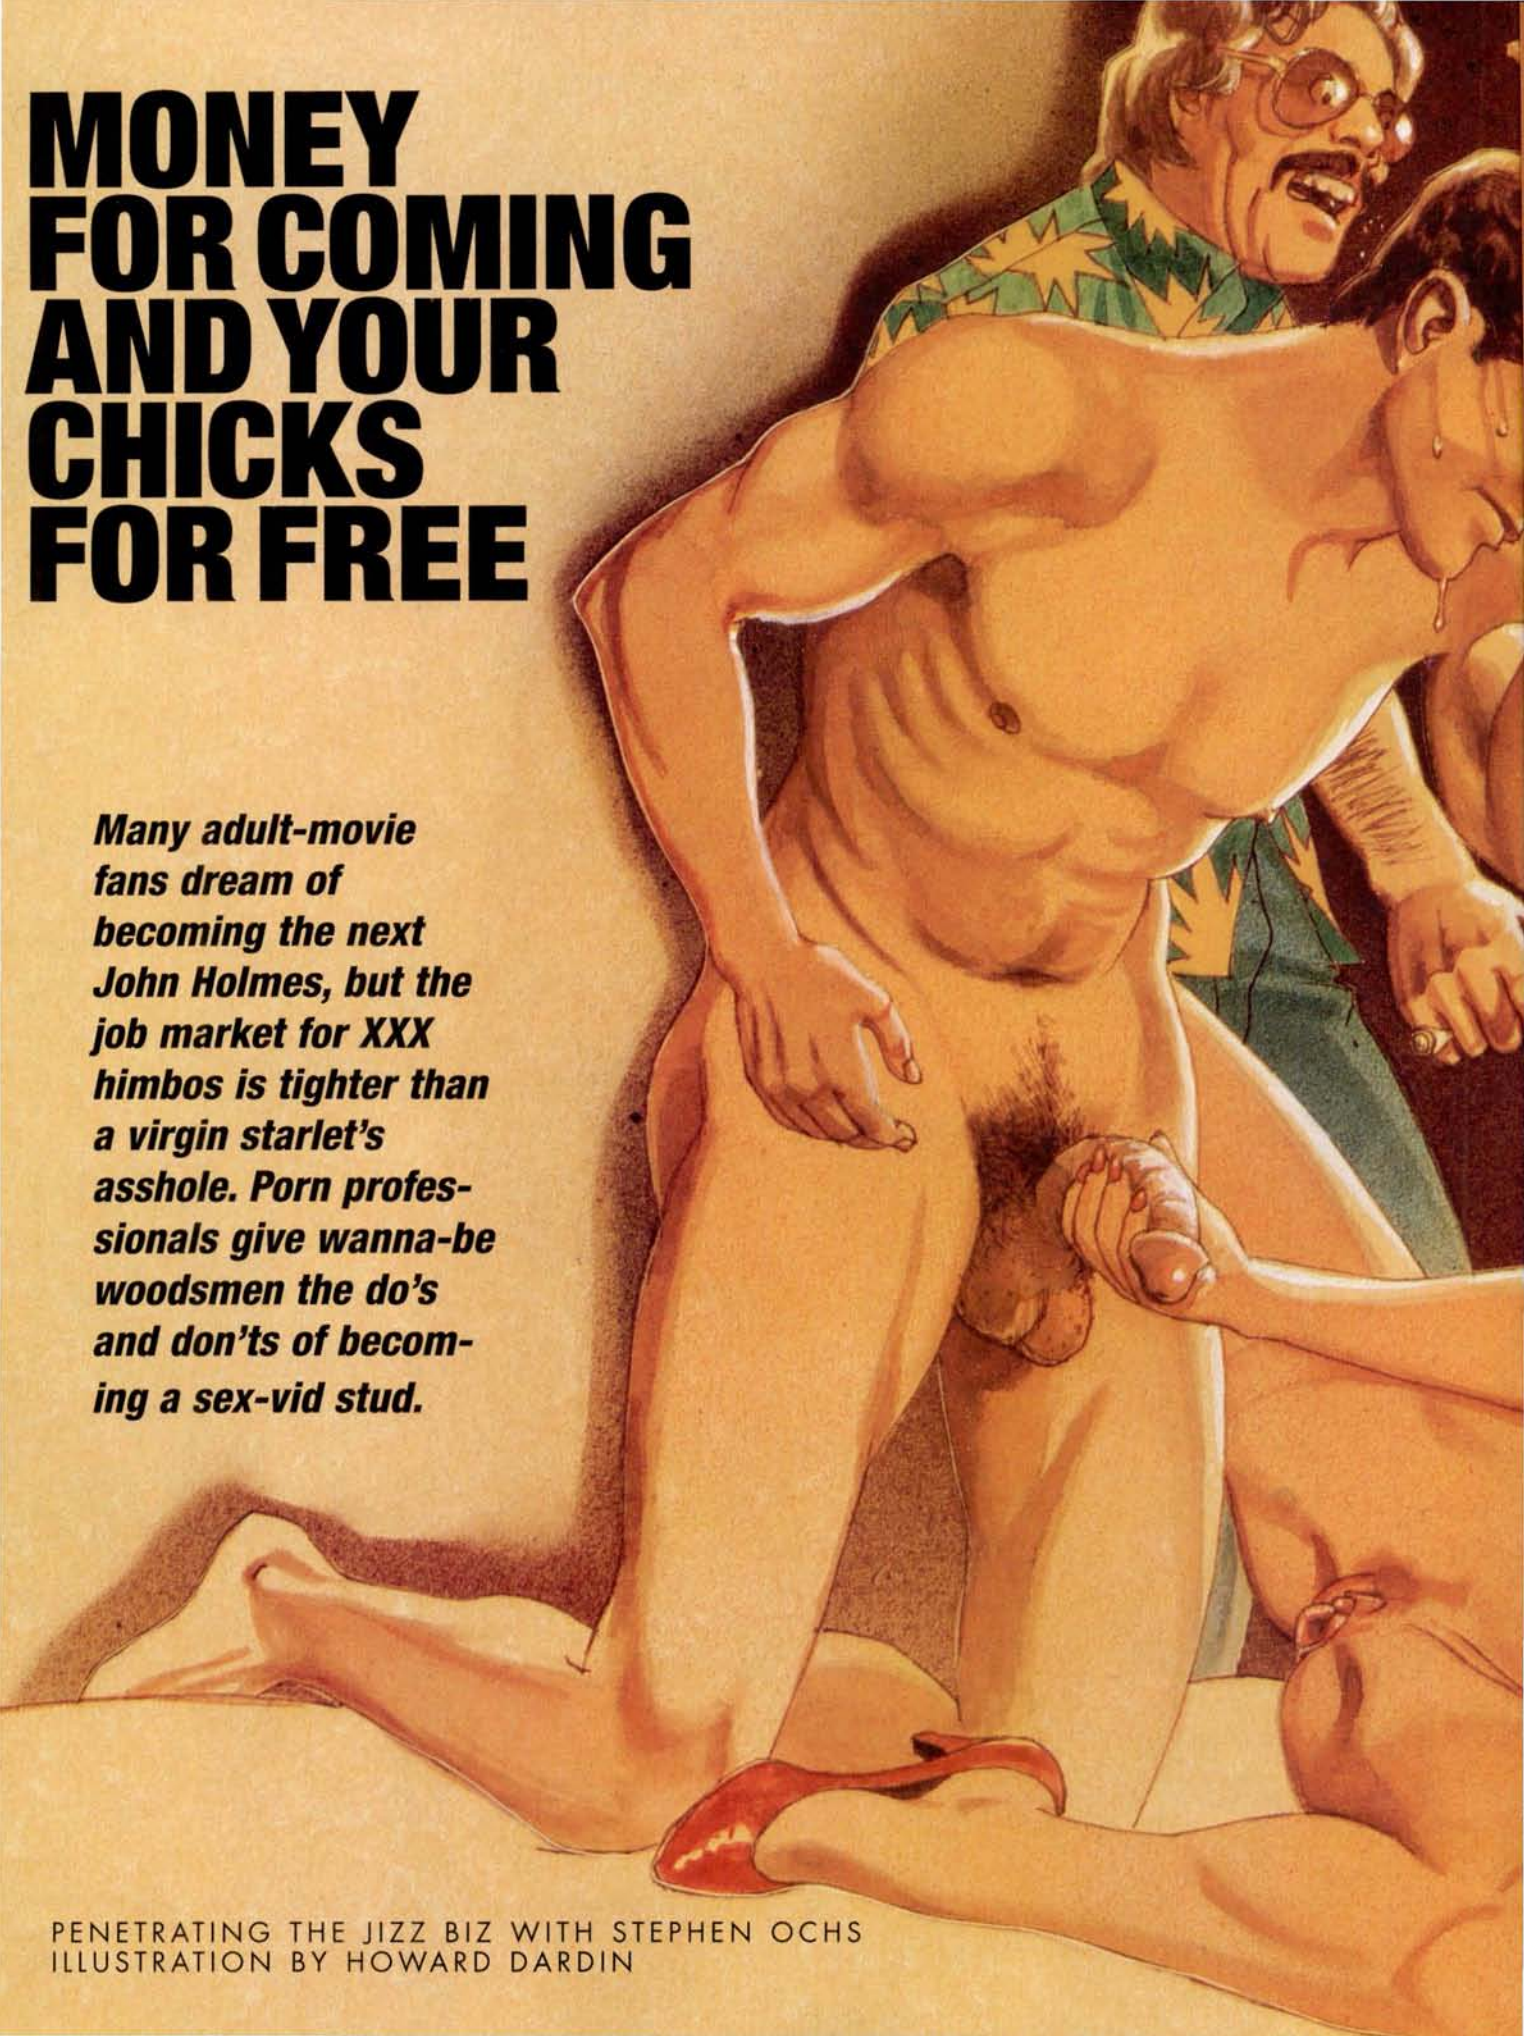
MONEY FOR COMING AND YOUR CHICKS FOR FREE

Many adult-movie fans dream of becoming the next John Holmes, but the job market for XXX himbos is tighter than a virgin starlet's asshole. Porn professionals give wanna-be woodsmen the do's and don'ts of becoming a sex-vid stud.



PENETRATING THE JIZZ BIZ WITH STEPHEN OCHS
ILLUSTRATION BY HOWARD DARDIN

In a seedy soundstage deep in the ass-crack of Southern California's San Fernando Valley, the epicenter of the porn industry, a gaggle of approximately 30 nervous mooks are climbing onto the lowest rung of the adult-video world's male-talent ladder: the *bukkake*. The guys off the street aren't being paid, but the casting call is open, and all they need to join in the fun is a valid ID, a current AIDS test, and the desire to hang around with 29 other bare-assed goons while ejaculating in a smut slut's face. Most of the men seem to have shown up for personal reasons; this is the closest they're likely to come to experiencing a sexual encounter any time soon. A few of the sperm providers are ringers, working porn studs on hand to ensure an adequate supply of wood and pud porridge, but a determined portion of the horndogs are here because they want to be porn stars, and a bukkake shoot is a way to stick their amateur cocks in the door. When the director calls "action," the boys line up, pricks in hand, and take a whack at living a peculiar American dream.

The film's "star," a relatively attractive, stocky, huge-titted blonde named Lovette, lies motionless on a table, obscured by the growing translucent curtain of slop that coats her features. The army of DNA spewers includes a skinny creep with a mustache who roams the set in a pair of shit-stained tighty-whities, a muscle-bound, dark-skinned man with a shaved head and a gold-plated pot-leaf necklace, and a wide variety of sex-starved freaks.

"For the men, it's a particularly humiliating job. They're not a whole person; they're just an erection."

Many of the doughy basement dwellers in line have trouble making their dicks hard. The clinical nature of the proceedings and the indifference of the object of their affection seem to contrast with their expectations. The bukkake set is friendly enough, but the motivation of the day is business. Here, a male orgasm's only function is to produce face-covering semen that will help sell the tape. The ejaculator's pleasure is the furthest thing from the filmmakers' minds.

Achieving wood is not a problem for Q, a 25-year-old, hard-bodied African-American who's just starting out in porn. Along with bukkake and gang-bang movies, Q has appeared in several low-budget, ethnic-themed videos, such as *Rumps and Pumps #17* and *Junk N Da Trunk #20*, featuring "thick," black, semi-amateur smut babes. Q is paying his XXX dues. "You gotta endure. You gotta be realistic," he says, surveying the dank warehouse and his pale co-stars. "A lot of guys that say they want to star in porn are just fantasizing, just sitting back and dreaming about fucking Jenna Jameson. This is the real deal."

Just about every guy who's ever whacked off to a porn video has dreamed of being on the other side of the blue screen. The viewer's identification with the well-hung stud drilling his favorite video slut is, arguably, the main appeal of watching a fuck flick. Unfortunately, the real life of an adult-video performer is as far from the popular fantasy as a two-dollar crack whore is from Tera Patrick. Starry-eyed hopefuls looking for an in-the-flesh version of the no-limits, fuck-everything scenes portrayed in dirty movies will quickly be disappointed.

Male stars—fittingly known in the skin trade as "props"—are measured entirely by the hardness of their cocks and their ability to spurt man milk on cue. Sex is a chore stripped of any meaning beyond lining some smut producer's pockets.

"For the men, it's a particularly humiliating job," observes veteran sex star Nina Hartley. "They're nothing more than their body part. They're not a whole person; they're just an erection. Overall, it's much more dehumanizing for the men. The women are the stars."

Still, the distant, vague promise of banging a never-ending cavalcade of young tramps ensures a healthy supply of mooks who would sell a kidney to enter the cum-soaked gateway of the jizz biz.

Hartley, who leads a Learning Annex seminar called "How to Break Into Adult Videos," has these less-than-encouraging words for the would-be porn actors sitting in her makeshift classroom: "Run, run, flee for your life," she laughs. Her work as a XXX actress and director has given the curvy, blond porn queen a unique perspective on the obstacles facing single men who want to be on-film fuckers. "Basically, the business doesn't want

"We sold our stocks for huge profits, sucked up 401Ks for our own benefit, and the accidental death of Michael Moore is proceeding as planned...."

them. The business is full. It's really, really difficult for new actors to get a chance."

While the porn industry is big enough to generate billions of dollars of annual revenues, the adult-entertainment community is still insular, close-knit and suspicious. Porn doesn't welcome newcomers, especially guys who pester XXX professionals for a shot at becoming actors. A handful of fellows land the majority of roles in adult films—because hired cocksmen who work steadily are a proven commodity. The smut industry has no altruistic interest in helping some unknown sex fiend jump-start his career as a video stud.

"Don't print that I'm booking guys," warns Jim South, the president of World Modeling, the nation's largest adult-entertainment talent agency. "Anytime I can get free publicity from HUSTLER Magazine I will, but, boy, don't list me for getting guys started, 'cause they will bombard us." World Modeling makes no effort to recruit male performers; yet South estimates that his office fields between 30 and 40 calls a day from wanna-be cock slingers. "We already have many more guys on our books than we can keep busy," says South. "It doesn't really make sense [to sign someone new], because it's harder getting a new guy started than to use one of the guys you already have but can't keep busy."

At the very least, an aspiring woodsman should be a better-than-average physical specimen. With the exception of some prominent holdovers from the old days, the hairy-backed beasts of porn's 1970s "golden age" are a thing of the past. Today, adult-film companies try to cast presentable male talent. "It helps if a guy is unlike me," says veteran porn star Ron "The Hedgehog" Jeremy. "He should be young, with rippled muscles, flat stomach and clean-cut. Having a big penis doesn't hurt either."

"Men call me that weigh 400 pounds and have a two-inch dick. We can't use them. For anything."

"The first thing we're looking for is body structure and the size of the penis," says Angel DeFina, talent coordinator for HUSTLER and HUSTLER Video. "A nice face is good too. A small penis is not going to cut it. We want a strapping man with a nice tool; no wimpy boys around these parts. I get men calling me all the time that weigh 400 pounds and have a two-inch dick. I'm sure they're nice fellows, but we can't use them. For anything."

A porn hopeful's personality is as vital to his success as his looks, not so much for what it can bring to a scene but for his ability to land work. Because the female stars often dictate who they'll fuck on camera, even an overtoned gym rat who is hung like a mule can't be an asshole and expect to be invited to a paid orgy. "Most of the girls pick the guys they work with," says beautiful, blond pornstress Tawny Roberts. "I'll pick a guy who's respectful to the girls, who doesn't try to beat them up or pick up on them after the shoot."

Most adult actresses describe their ideal scenemate as possessing the same qualities women want in an offscreen boyfriend. "What I look for in a co-star is personality and attitude," says Hartley. "A sense of humor is really important to me too. If I'm gonna be touching this guy, stroking him, hugging him, I gotta like him. Every man gets one chance with me. If I don't like him, I'll never work with him again."

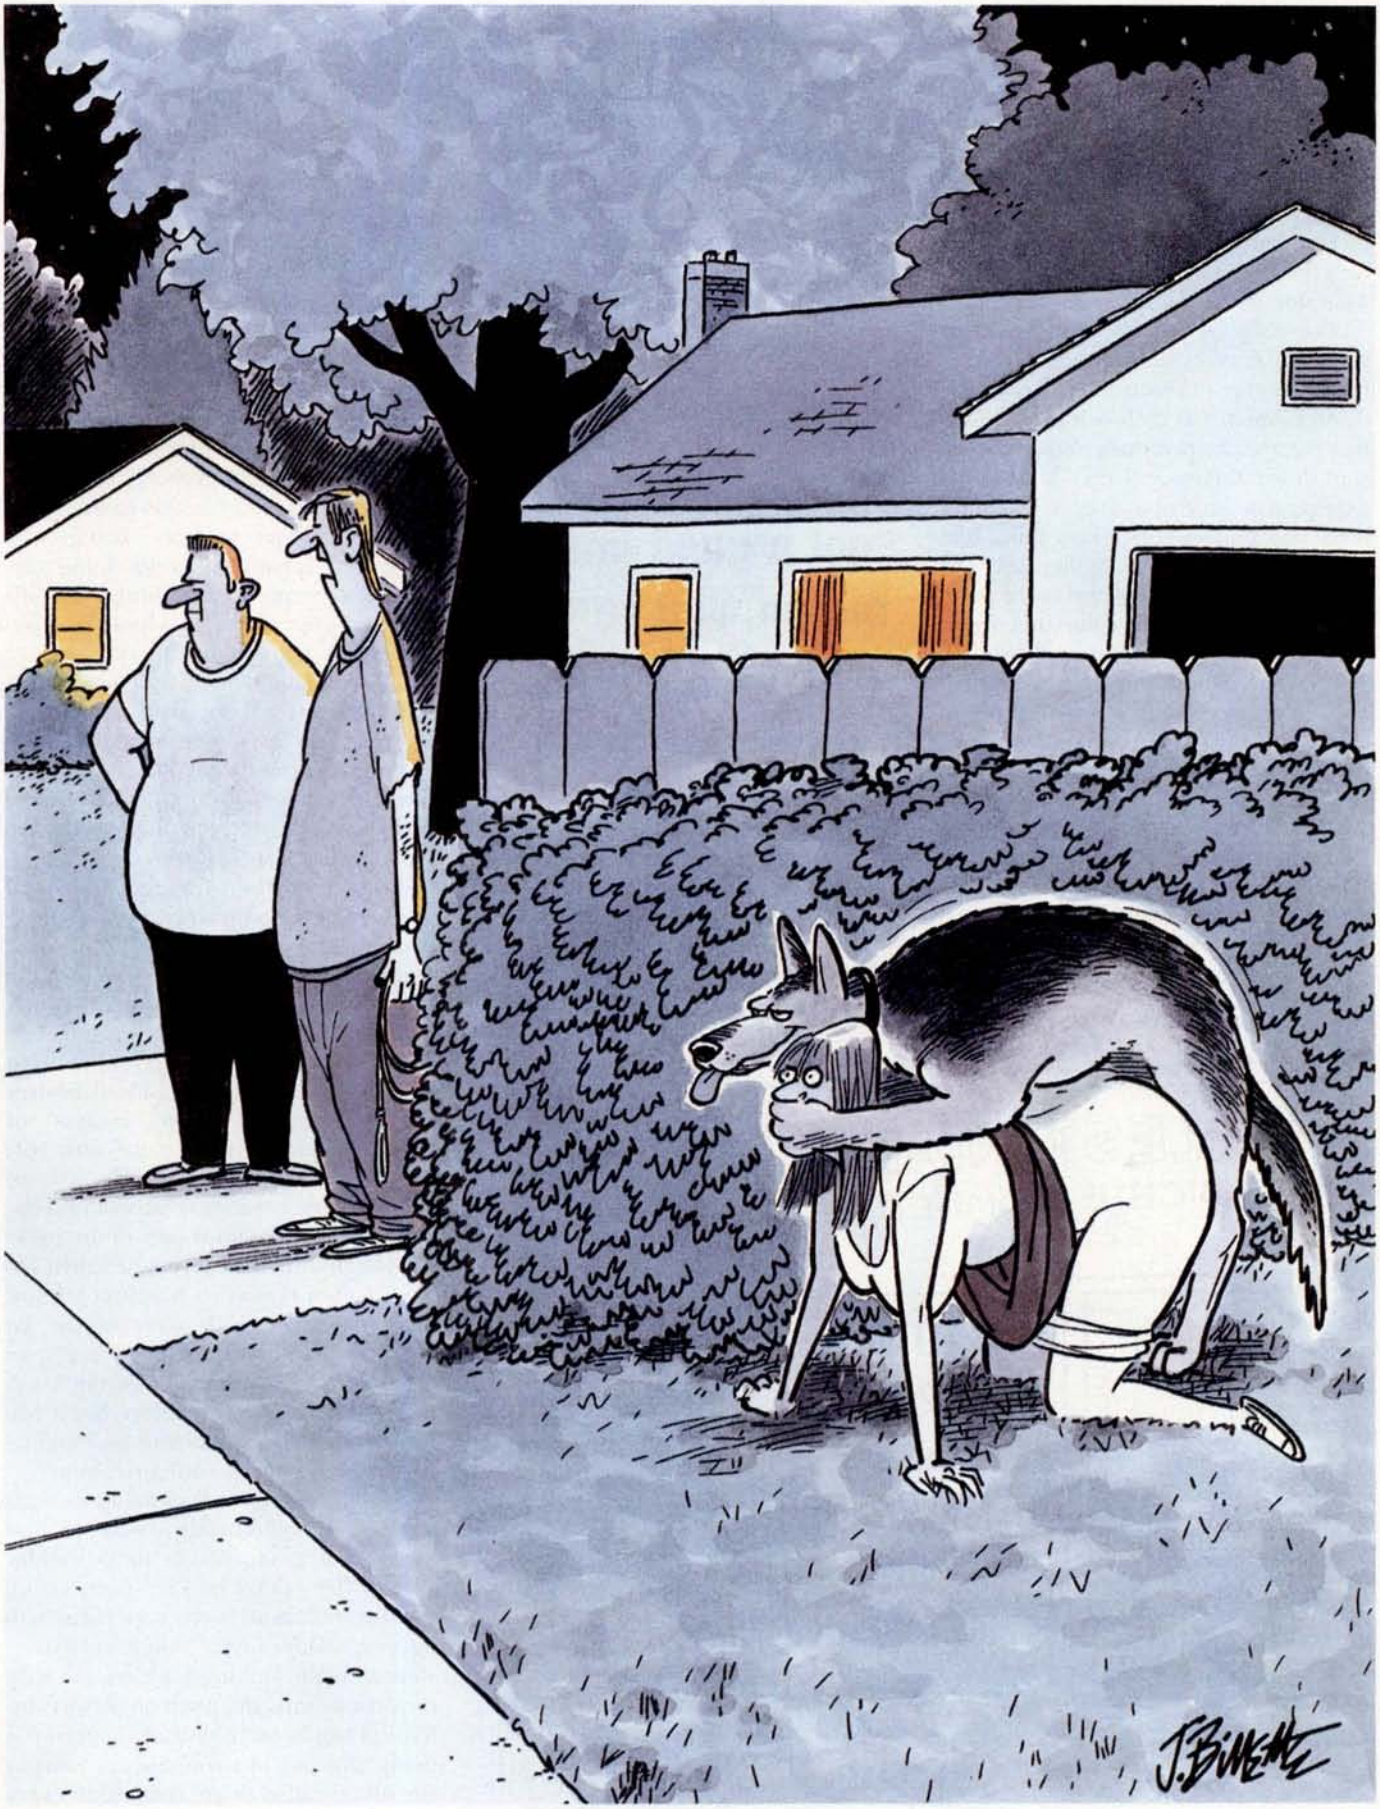
Even a witty conversationalist with the body of a Greek god and a foot-long pecker will most likely lack the single most fundamental attribute of a porn star: a penis that responds on command. A lonely pervert can easily achieve an erection while he imagines boning a porn doxy in the safety of his own home, but when the lights are on, the crew is hovering and the cameras are rolling, his prick may not be so cooperative.

"I'd say 80% of guys can't perform on camera," states performer and gonzo director Jules Jordan. "If you can't swing it, it can be humiliating, and it could ruin your career, because when guys can't swing it, it gets out quick as shit."

"You have to be a person who doesn't just tolerate getting hard in front of other men, you have to get your jollies that way," says Hartley. "It's an exhibitionist's job, and if you're not kinky that way, it's going to be emotionally troubling for you, whether you're male or female."

Anyone who has ever spent time on a porn set has a horror story to tell about a wanna-be stallion whose crank couldn't stiffen. "You get in these really weird sit-

"That's John Ashcroft. He likes to come in here to watch everybody take a shit."



"My damn dog ran off! There must be a bitch in heat somewhere in the neighborhood."

uations with guys who can't perform," laughs Jordan. "They start getting psychotic sometimes. Because it's real demasculating [*sic*] to them. They feel like they're less of a man. Or you'll get a couple on the set where the guy can't get his dick hard. The girl's like, 'What the fuck's wrong with you? Why can't you fuck me? Are you gay or something?' That doesn't help him."

There's more at stake than wounded pride. Like everything else in the smut racket, casting decisions ultimately come down to money. A male actor with a flat tire means lost revenues and can even shut down filming entirely. "Most of my experiences with new male talent have been bad experiences," says adult-film director Michael Raven. "While the crew's waiting around, you try and make them comfortable, give them some time to try and get wood, but after an hour or so, you just say, 'Hey, it's time to move on.'"

"If you get them in a situation where the production depends on them, and they can't perform, you're fucked," says Jordan. "You're out a location fee. Usually the girl will want something for her day. You have still photographers there you have to pay, and you pay the makeup artist. I'm all for giving guys a shot, but if it's gonna compromise my production, there's no way."

"These guys come in, and they're certain they can do it, but then they can't," says unlikely porn stud "Dirty" Dave Cummings, a 62-year-old decorated war veteran who makes his living starring in and directing jerk-off movies.

Cummings's ability to ejaculate when needed gave him his big break in the fuck biz, but the sexagenarian woodsman never would have gotten the chance to prove himself if he hadn't been working behind the scenes on a sex video in the first place. "I got on an amateur set, holding a light. The guy couldn't do the cum-shot. I did the cum-shot. Then the producer and director asked me to be in two amateur sex scenes the next day. A month later, I'm in *The Devil in Ms. Jones Part 5*. The word was, 'Hey, we got this old guy down in San Diego. He's really old, and he comes when he's supposed to. He shows up for work on time, and the girls say his personal hygiene is okay too.' So I got into it through a lot of luck and circumstance, not something that anyone can count on for themselves."

"I've worked with some of the fat girls. They're more effort, but if you've got a good imagination, you can get by with anything."

Another way an aspiring porn star can prove his ability to shoot his cock snot on camera is to participate in a gang-bang movie or bukkake video. These productions need as many functioning pricks as they can find. Even so, a porn professional probably isn't going to invite stunt-cock No. 234 to star in his next big-budget feature. "Being in a gang-bang is better than not doing anything," says agent Jim South, "but it's not like you did a two-hour boy-girl scene with just you and a girl."

The availability of Viagra has partially leveled the playing field by opening up porn to guys with shy dicks, but Viagra isn't foolproof, and its use is often looked down on. "If you have to do drugs to do your job, then it's not the job for you," states Hartley.

Even a good-looking guy who can keep an erection on video without pharmaceuticals often has his woodsman ambitions dashed by the very women the newbie stud is expected to pork. "I won't deal with fat chicks or gang-bangs, unless I go first," states eternal optimist Dustin Farmer, an unemployed laborer in his mid-20s who dreams of porn stardom. "I want to be with Nici Sterling or a girl like that." In spite of Farmer's reservations, screwing less-than-desirable ladies is part of the package for all smut studs, from neophytes to XXX hall-of-famers such as Ron Jeremy.

"I've worked with some of the fat girls. I worked with Sugar Mommy, an older lady, in *87 and Still Banging*," says Jeremy. "They're more effort, but if you have a good right hand and an imagination, you can get by with anything."

The willingness to fuck an overweight woman, combined with persistence and luck, was professional dick wielder Dillion Day's ticket into the porn world. "I answered an ad in the papers from an agency," Day says. "They said they weren't really looking for guys, but they took my picture and put it on file anyway. Typical brush-off. I basically bugged the living shit out of them daily. I went to the office, called them, checked in every day. I would sit for hours in the lobby, just waiting to see if *(continued on page 106)*

A well-known and much-married movie star said to her doctor, "I have a new boyfriend, and he's 18; so I want you to tighten my vagina. This has to be our secret—no tabloids, okay?"

When the actress woke up after the operation, she looked at the foot of the bed and saw three bouquets of flowers.

The patient angrily scolded her doctor, who was standing by her side. "How could you do this to me? I told you this was to be a secret."

"Relax," the surgeon said. "The first bouquet is from me. The second is from the anesthesiologist—he worked with me on your operation; he's gay and very trustworthy. He won't tell a soul. And the third bouquet is from a guy in the burn unit who wanted to thank you for his new ears."

Question: What's the difference between hobos and homos?

Answer: Hobos have no friends, and homos have friends coming out of their ass.

Hillary Clinton went to a fortune-teller who intoned, "Prepare to become a widow. Your husband will soon suffer a violent death."

Hillary took a deep breath and asked, "Will I be acquitted?"

The HUSTLER Dictionary defines *enema freak* as: a girl who cheers when the Fleet's in.

A man and a woman met in a bar and started talking. After a few drinks the subject of sex came up. It turned out that both the guy and the girl were quite kinky; so she invited him up to her place.

When they got to her apartment, she told him to wait in the kitchen by the dog bowl while she went back to her bedroom to dress up in her dominatrix outfit. While the man was in the kitchen, the broad put on her leather boots, muzzle and chains. Then she laced up her corset, fixed her hair, redid her makeup and put on nipple clamps. When at last she was ready, she strode out into the kitchen just in time to see the guy heading for the door.

"Hey, what's up?" she asked him. "I thought we were gonna get kinky together." The man looked at her outfit and shrugged, "Hell, lady, I've already had time to fuck your dog and shit in your purse. Thanks."

During a miserable winter night, a Scotsman walked into his living room and said to his wife, "I'm going to the pub. Get your coat on."

Pleasantly surprised, his wife cooed, "Oh, honey, are you taking me along for a nice evening?"

"No," he replied, "I'm turning off the heat."

Question: Why do kids make snowmen instead of snow-women?

Answer: It takes too long to hollow out the head.

Two terrorists were chatting. One of them had his wallet out and was flipping through photographs. "Yeah, this is my oldest," he said proudly. "He's a martyr. And here's my second son. He's a martyr too."

The second terrorist wistfully sighed, "Ah, they blow up so fast, don't they?"

Three former kindergartners were trying to become accustomed to first grade. The biggest hurdle they faced was that the teacher insisted on no baby talk.

"You need to use big people words," the instructor always reminded them.

She asked Wendy what she did over the weekend.

"I went to visit my nana," the girl answered.

"No, you went to visit your *grandmother*. Use big people words!" the schoolmarm admonished.

She then asked Joey what he had done.

"I took a ride on a choo-choo," he replied.

"No, you took a ride on a *train*. Use big people words!" the educator corrected.

Finally, she asked Eddie what he had done.

"I read a book," he replied.

"That's great," she said. "What book did you read?"

Eddie thought about it, then puffed out his chest with great pride and said, "*Winnie the Shit!*"

Grunt Work_

Army Troops Mop Up a Special Forces War_

American infantrymen struggle to find a place in a campaign that is dominated by elite commandos and high-tech gizmos. One thing the grunts know for sure: When they're on the ground, they own it._

"We've located two possible terror suspects. Or possibly Prince and his new protégée."

Hulking, two-prop CH-47 Chinooks thump the air on the way to their landing zones, high up on rocky slopes of mountains that hug the Pakistani border. In the valley below, Narizah, a village of adobe houses and dusty alleys, spreads itself over the foothills and stretches into flatlands. The rear hatches of the choppers yawn open. Troops trundle out, weapons first, and set up a hasty perimeter.

Wearing Kevlar helmets woven with frayed strips of burlap and sections of tan camouflage netting, the soldiers bob and weave as they run, loaded with bulging rucksacks, some of them crowned by stout, AT-4 antitank rockets. The helicopters peel away to pick up another load of trigger-pullers. In less than an hour, a reinforced battalion of grunts, nearly 400 men, has been plunked down in a remote area near the border, which has been a safe haven for Islamic militants since before American troops reached Afghanistan in late 2001.

The soldiers immediately begin their sweep of the area, fanning out, securing the landing zones with weapons pointed outward, ready to lay down lead in defense of the departing behemoths.

All over the mountaintop, files of troops hump uphill in long lines that stretch until the far soldiers disappear behind waist-high brush. Jagged stones the size of coal lumps litter the terrain, but the rocks are red. Save for the vegetation, the hillside could be the surface of Mars.

The soldiers belong to the 3rd Battalion of the 187th Infantry Regiment of the storied 101st Airborne Division.

This Battalion, nicknamed the "Rakkasans," is one of the most deployed and decorated units in the U.S. Army.

Intercepted communications suggest that the area around Narizah is hot, and a longstanding pattern of people on the ground firing weapons at coalition aircraft has corroborated that information. Something in the area is rotten, and late-breaking intelligence indicates that Saif Rahman Mansour, a senior al Qaeda operative, is hiding out in this rugged valley near the Pakistani border. Special Forces (SF) troops have set up a safe house nearby in a cave complex and have conducted exhaustive sweeps through the area, but they haven't managed to snag Mansour, who held off coalition forces with 1,000 men in the Tora Bora mountains in January 2002. The al Qaeda leader has been a primary target ever since.

Something in the area is rotten; late-breaking intelligence indicates that a senior al Qaeda operative is hiding out in this rugged valley.

Captain Clint Cox, Alpha Company's commander, says as many as 40 of Mansour's fighters could be entrenched in the hills around Narizah, armed with heavy machine guns and surface-to-air missiles. "This is their back 40," Cox relates. "They have decentralized command and control, and they can fight from pre-dug fighting positions, or caves, and they own the majority of the high ground. It will be our job to destroy all those positions."

Local intelligence indicates that Chechens may be running with Mansour's entourage. Chechens have earned a reputation for being redoubtable fighters, in part because of the large number of videotapes that have come out of the breakaway ex-Soviet republic in its war with Russia. When Russian soldiers are taken captive, Chechens, it is widely reported, torture, maim and make their victims perform the death dance: They lop off their enemy's head, pour hot wax over the wound and watch the ghoulish antics of the headless corpse.

Mansour should be easy to identify: He has only six fingers. He's suspected of running an "underground railroad" on the border, shuttling people and materials to and from Pakistan. The Americans want to capture or kill him. The U.S. command has decided to drop troops into the valley, code-named Pandora's Box, with a battalion of nearly 400 men, and sweep through to the border. A company of soldiers, including scout snipers, will pick off the fighters streaming back into Pakistan's tribal areas. The mission is code-named Operation Iron Talon.

* * *

The staging area for Operation Iron Talon is Chapman Air Base, the U.S. Special Forces redoubt in Khost near the Pakistani border. Chapman A.B. is in a constant state of semisiege. Rocket attacks are routine—so much so that they're referred to as "the Sunday night rocket attacks." Teams of al Qaeda infiltrate across the border and rig Chinese 107mm rockets on makeshift fuses constructed with a leaky metal water can, a block of wood with a nail driven through it, wires and a car battery. As the water level drops, a circuit is completed and the rocket is fired.

At Chapman, the day before Iron Talon launches, the Rakkasans duck under a green parachute sustained by a long iron pole that bends out of the ground at a 45-degree angle. This will be their digs for the night. A second green parachute is draped over the adobe ruins of a building. The walls stagger in jagged abbreviations of masonry. The place is in ruins, but a wooden door at one end of the building is intact and padlocked shut.

The soldiers install themselves on sandbags around a plank and begin playing a game of spades.

Someone rips a fart.

"What are there—scorch marks on your sandbag?"

Some soldiers doze off immediately.

"It's a skill you learn right away in the Army—how to sleep anywhere, anytime," says Specialist Ray Hagerty, from McHenry, Illinois. Grunts have perfected the art of making themselves comfortable in uncomfortable environments. Cramped foxholes are hammocks. Boulders become mattresses. At Chapman, rations boxes are instantly transformed into one-man sofas.

While some troops sleep, others work off extra energy, perhaps a function of anxiety about the mission scheduled to jump off the next day at dawn. One soldier puts another one in an armlock; others shadowbox. A clutch of soldiers sit on the ground, cracking jokes and laughing like mynah birds.

Specialist Billy Sadler, a full-blooded Chippewa Cree Indian who spent his childhood years on a reservation in Montana, is apprehensive about the mission, scheduled to start tomorrow. "I just hope everything goes well," he says. "I hope no one gets hurt. But you never know what's going to happen."

Sadler has smooth, bronze skin, fine features and wears wraparound Oakleys from dawn till dusk. He aspires to join the elite U.S. Army Special Forces, also known as the Green Berets.

"I've always wanted to be part of the action," Sadler says. "As soon as I can, I'm going to try to hitch on with SF."

Special Forces soldiers have been widely credited with doing the bulk of the actual fighting in the U.S. war in Afghanistan. The infantrymen have often found it necessary to dutifully take a back seat to the elite commandos, who have been conducting clandestine operations in 12-man teams since the first days of the war.

SF soldiers usually go by a first-name-only basis with anyone who's not one of them. They don't have to obey the strict spit-and-polish dress codes that conventional soldiers live by, and normal grooming standards are dispensed with as well while Green Berets are in the field. At Chapman, SF soldiers wear bushy beards, woolly muttonchops and walrus mustaches. They look like a meeting of machine-gun-toting Amish elders.

"This is a spook war," says one Special Forces soldier, who speaks on the condition of anonymity. "Grunts mop up."

One of the men the Army most hopes to nail is al Qaeda operative Jalaluddin Haqqani. Haqqani is thought to have an elaborate cave complex somewhere along the border from which he stages operations. The Americans, who have been searching for the complex for months, have nicknamed the cave-and-tunnel maze Oz.

One Special Forces operator notes that satellite imagery spotted houses on a steep mountain slope, which could be covering the mouth of a cave. "One of those houses could be a gateway to the land of Oz."

FIGHT NIGHT AT BAGRAM

BAGRAM AIR BASE HAS A DARK SECRET: CAMEL-SPIDER FIGHTING

Camel spiders are huge arachnids with beady black eyes, hairy legs and grossly elongated mandibles used to dismember and devour their victims.

Soldiers on base capture the beasts and pit them against one another in fights to the death. Scott Nelson, a freelance photographer and adept spider catcher, has rigged a glass terrarium where spiders fight and die. Scott's prize specimen, Regan, has mandibles that are swollen like chipmunk cheeks and an indomitable will to kill. A group of MPs has boasted that their pet scorpions, El Guapo and Zeus, could annihilate any camel spider on base.

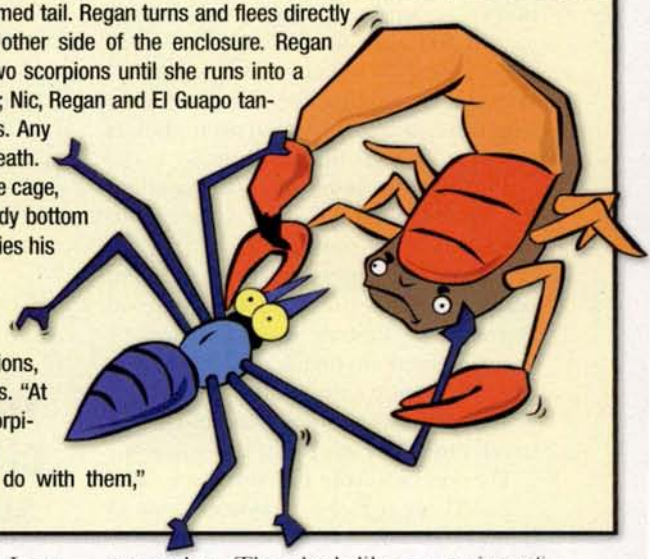
"Let's just let this be decided in the ring," said Scott.

A crowd of 25 soldiers and reporters waits with anticipation for the MPs to show up with their champion scorpions. The MPs arrive in force—five of them—carrying a rectangular plastic tub half-filled with sand.

For the undercard, Zeus, a black-bellied scorpion with thin pincers and a brown tail, will go mano a mano with Nic, the reigning spider champion. Zeus and Nic are tumbled into the ring; after a brief tussle, they retreat to their corners and stay there. After ten minutes of dancing, no one is satisfied. "This is too much like a heavyweight fight," one spectator gripes. "Give me some lightweights."

El Guapo, a formidable, fat scorpion, and Regan the spider are dropped into the ring with the other two bugs. El Guapo immediately coils his tail to strike. Nic takes his customary spot in the corner. Regan scrambles frantically around the ring. An elemental fear of death seems to have replaced her killer instinct.

Scott reaches a stick into the cage and pushes the bugs together. Regan, in a flash of eight-legged brilliance, starts climbing up Scott's jab stick. Scott shakes the stick to fling her off and growls, "Get back in there." Regan falls back into the center of the cage. She runs to one side, smack into Zeus, who pinches his claws menacingly and rears his envenomed tail. Regan turns and flees directly into El Guapo, who is waiting on the other side of the enclosure. Regan bounces back and forth between the two scorpions until she runs into a neutral corner. Zeus flattens himself out; Nic, Regan and El Guapo tangle on top of him in an unmoving mass. Any false move could result in a flash of death. Regan panics; she climbs the walls of the cage, drops down and skitters across the sandy bottom until Nic bursts out of his corner and buries his fangs into the side of her neck.



Regan bunches into a ball while Nic feeds on her insides.

After the MPs leave with their scorpions, Bobby from BBC breaks down the lights. "At least they held their own against the scorpions," he says.

"The scorpions wanted nothing to do with them," Scott says. "Pussies. All talk."

"It's a good thing we're wearing camouflage; otherwise, someone might see us."

Requires eight AA batteries, not included.

The next morning, Captain Cox briefs his men before they board choppers for the objective area.

"I got woken up no less than three times last night by guys with beards named Bill and Bob," Cox says. "They were saying, 'This guy's in the valley.' We've been looking for Mansour for a long time, and he's slipped away. This is our next rendezvous with him."

Less than an hour later, the battalion has air-assaulted into the valley, onto ice-cold landing zones.

A man walking a donkey is stopped, searched and questioned about al Qaeda and Taliban in the valley. "I haven't seen anyone," says the man. "Just once upon a time, they came to our village. We want to help Afghanistan. I haven't touched any American soldiers."

He says he's from the village of Tani.

Asked his age, he answers, "I don't know how old I am. Twenty-one? Twenty-two?"

Asked if he knows why the U.S. is in the valley, he replies, "I'm just bringing lumber. I'm illiterate."

Captain Gillogy, a civil affairs soldier, stops a goat herder for questioning. "We are here at the invitation of the national government," Gillogy says.

"Good," the peasant responds.

"We need to ask you a couple questions. Has al Qaeda been in the area lately?"

"There is no al Qaeda. It is propaganda. If I hear anything in the future, I'll find you. My goats are going all over the place. I have to go. I'm very busy with my goats."

The goat herder is allowed to leave.

New information comes over the radio: Herders, when they're leaving, have been signaling with mirrors back to the town. This one has been tracking the American soldiers.

Captain Gillogy goes back to the herder. Through the translator, he says, "We know he's been signaling with mirrors. We want him to stop following us."

"I want to go," says the goat herder.

The man is searched. Hidden in a silk scarf is a small, square mirror the size of a playing card.

"What are you doing with the mirror?" the man is asked.

"I use it for looking at my face."

The radio-controlled robo-soldier can climb stairs, turn somersaults and roll along at approximately nine miles per hour.

The man is detained. His hands are tied, and he is led on a string into a stable.

Meanwhile, counterintelligence officers have intercepted telling communications from the area. Over the unsecured radio frequencies of the walkie-talkies, they are hearing Pashto, the local language.

One message comes through loud and clear: *We are concerned about the safety of our VIP.*

Colonel Patrick Fetterman, the battalion commander, acting on information vectored from his intelligence officers, decides on a change of mission. Instead of sweeping through the valley to the Pakistani border, his men will surround and search the nearby village of Narizah, a complex of mud-walled buildings at the foot of the mountains.

* * *

A squad of heavily armed American soldiers line up single file outside a compound in Narizah, ready to burst inside. Just around the corner, technicians boot up Fester, a tanklike robot the size of a suitcase. An order comes over the radio: "The robot should go in first." A crowd of curious Afghans watches as Fester zips backward, fixes his electronic eyeballs on an open doorway, lurches forward, and blunders into a wooden beam. The villagers erupt in giggles.

Sitting in the broiling sun, U.S. Army Colonel Bruce Jette, the head of the robotics team, is both triumphant and apologetic: "Today is the first time conventional forces have ever employed robots in a wartime environment."

Fester has his clumsy moments, and the high metal content of some of the caves in the area confounds his sophisticated communications systems. However, when engineers sort out the kinks, robots such as Fester could revolutionize the way foot soldiers fight wars. The radio-controlled, reconnaissance robo-soldier can climb stairs, turn somersaults and roll along at approximately nine miles per hour. Shockproof and waterproof, Fester has survived a plunge from a second-story window.

Plans for upgrading the machine include a camera-mounted swivel arm to elevate its poodle's-eye view, low-frequency radio relays that will enhance its navigational abilities in the twists and

turns of caverns, and offensive systems—a grenade launcher, perhaps, or twin-mounted, semi-automatic shotguns. Also in the works is a dispenser for glow-in-the-dark Silly String—a toy-store novelty that the Army uses to mark trip wires in darkened caves.

Terrestrial machines are only the most recent gadgets to be deployed in Afghanistan. In a historic first, an unmanned aerial drone, the Predator, launched a Hellfire antitank missile at an enemy target. The low-flying Predator, operated by the CIA, has been indispensable in disrupting command-and-control structures. Its "eyes" make it hard for al Qaeda and Taliban remnants to congregate even in small groups without being seen. The war in Afghanistan also saw the first operational flight of the Global Hawk, an unmanned Air Force surveillance plane that soars above 60,000 feet, loaded with high-tech snooping devices.

"Unmanned is a big buzzword right now," Jette says.

While the U.S. military spends billions on high-tech weaponry, the American infantrymen are wearing substandard boots. "Look at this: This thing is falling apart," says Specialist Pete Morton, a former surfer from Santa Cruz, California. Morton peels back the sole of his desert boot, which looks as though it has been infected with a fungus. The plastic tread is flaking off, and a huge chunk of plastic is ready to fall away from the leather upper.

Not surprisingly, grunts are less than impressed by the gee-whiz gadgets that have been designed to take their place.

"If some foreign army wanted to search my house," says Corporal Robert Leibhardt, a fourth-generation foot soldier, "I'd hide in a little bag of rice, let the little robot come in, and wait for the soldiers to come in and pop out of my hiding place and waste 'em."

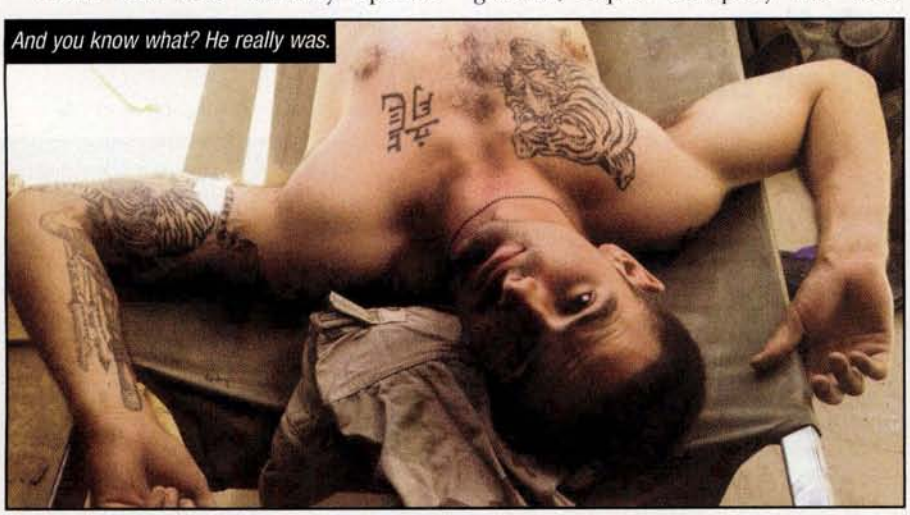
In the age of terrorism and counterinsurgency, surgical strikes and collateral damage, standing armies may never square off again. In six months on the ground, Alpha Company has been



And you know what? He really was.

Green Blobs

THE USMC CURES TALIBAN ASSHOLES OF THE BOOGIE-WOOGIE FLU

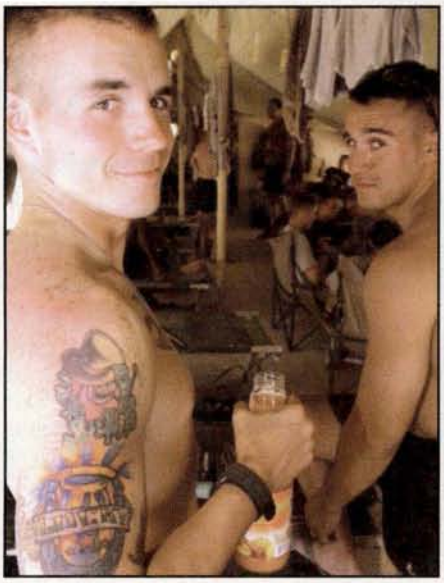
After the bombing runs at Tora Bora, the Taliban and al Qaeda would come out of their caves and perform a victory dance, moon the U.S. planes, prance around, yip, laugh, and dash back into the caves. The taunting boogie was so routine that American military planners devised an attack specifically for the dancers. U.S. strategists timed the average length from after the final bomb had fallen to the time the Taliban came out of the cave and started high-stepping. At the next sortie, the bombing run was called in at a precise time, and 81mm mortars were put into position. The bombs fell, and the mortars slid down the tubes and fired. While the mortars were in the air, the Taliban, true to their pattern, ran out of their caves to do their version of the funky chicken. The mortar shells landed, and the Marines looked through their scopes.

"All we could see were thermal splotches outside the cave. Just these green blobs."

A "green blob" is what a person who's been blown apart by high explosives looks like through a night-vision scope.

BEFORE

AFTER



called into the field only three times. Operation Iron Talon is their fourth. Nonetheless, infantrymen are not quite convinced that they're obsolete.

"Any time we want to, we can fly in, and can be in control," says Sergeant Brandon Whitworth, from Tennessee. "We call it 'show of force.' We don't have to control the whole country. You never actually occupy that ground."

* * *

Alpha Company descends into Narizah and walks warily through the dusty adobe village.

A squad of First Platoon, led by Lieutenant Jarod Warren, is the first American element to penetrate the village. The soldier walking point moves warily around the corner of an adobe building and steps into a dusty alley. The village is practically deserted. A camel munches straw and pokes its head out of a window, but there are no people in sight. The last man in the platoon backs his way through the village, pointing his gun downrange. The men make sure to stay away from walls, where bullet ricochets could kill them.

The platoon gradually makes its way through the entire village to a house on high ground on a donkey trail that leads to Pakistan. After the troops take up positions outside the house, Warren handpicks his team and calls his men together.

"Time to go clear," Warren says.

A weapons squad lines up on a stone wall, fingers on the selector switches of their firearms. Without a word, the soldiers sprint through a gap in the mud-walled compound and pour inside.

A little girl sits on a straw mat with a sunflower in her hair. Inside the open-windowed building are a basket, a rope bassinet, rope, wood and a tea kettle on the floor. Thick beams support the mud ceiling. Chickens poke at grain on the ground.

Warren finds a man wearing traditional garb. More people come out of rooms in the compound, until the squad has assembled the family of two women, two children and a man together in the courtyard.

A banner over one room reads: Jihad Guest House. The room has bedding for 20 men, and changes of clothes, weapons and passports.

The first man in holds his gun like a pistol, with a flashlight on the end, and wheels around a doorway into a darkened room in the compound.

A banner over one room reads: JIHAD GUEST HOUSE. The room has bedding for 20 men, as well as changes of clothes, weapons and passports. A blinking light in the window, made of a cluster of Christmas bulbs, is used as a beacon for men infiltrating across the border. The man of the house is found to be carrying an ID card from Hisb-i-Islami, a radical Islamic organization whose leader, Gulbuddin Hekmatyar, is wanted dead by the CIA.

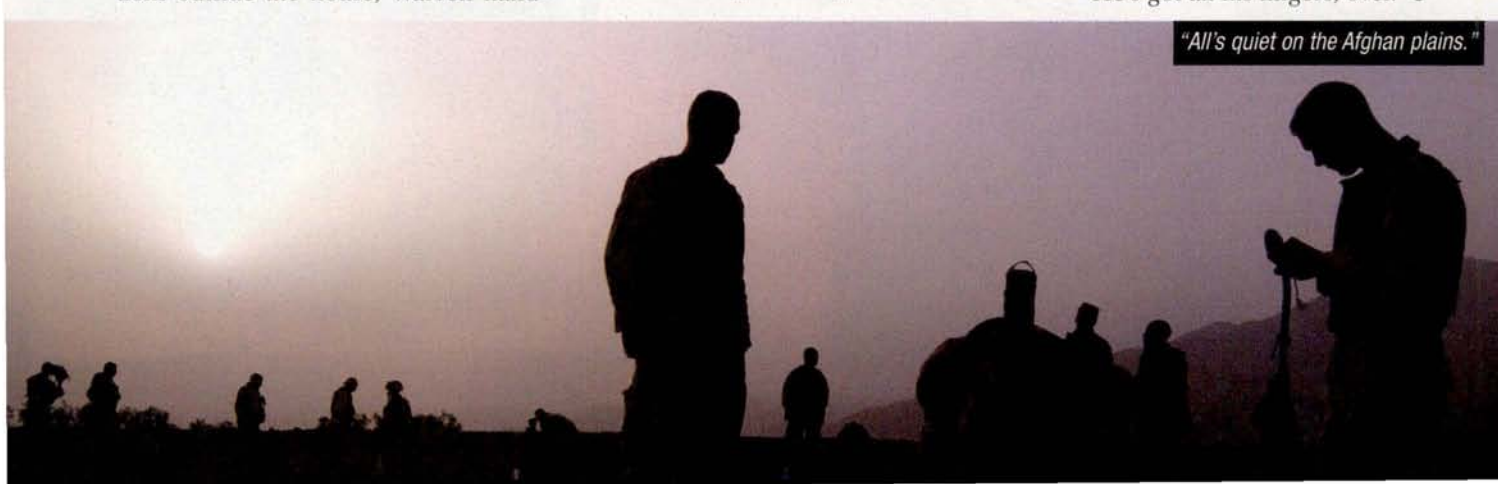
Warren, who doesn't speak Pashto, asks the man how many weapons he has. "One, two, three, four? Or one, two? Only two?"

Warren sifts through documents. All Arabic to him. "Speak English? I know you speak a little. All these books are in English."

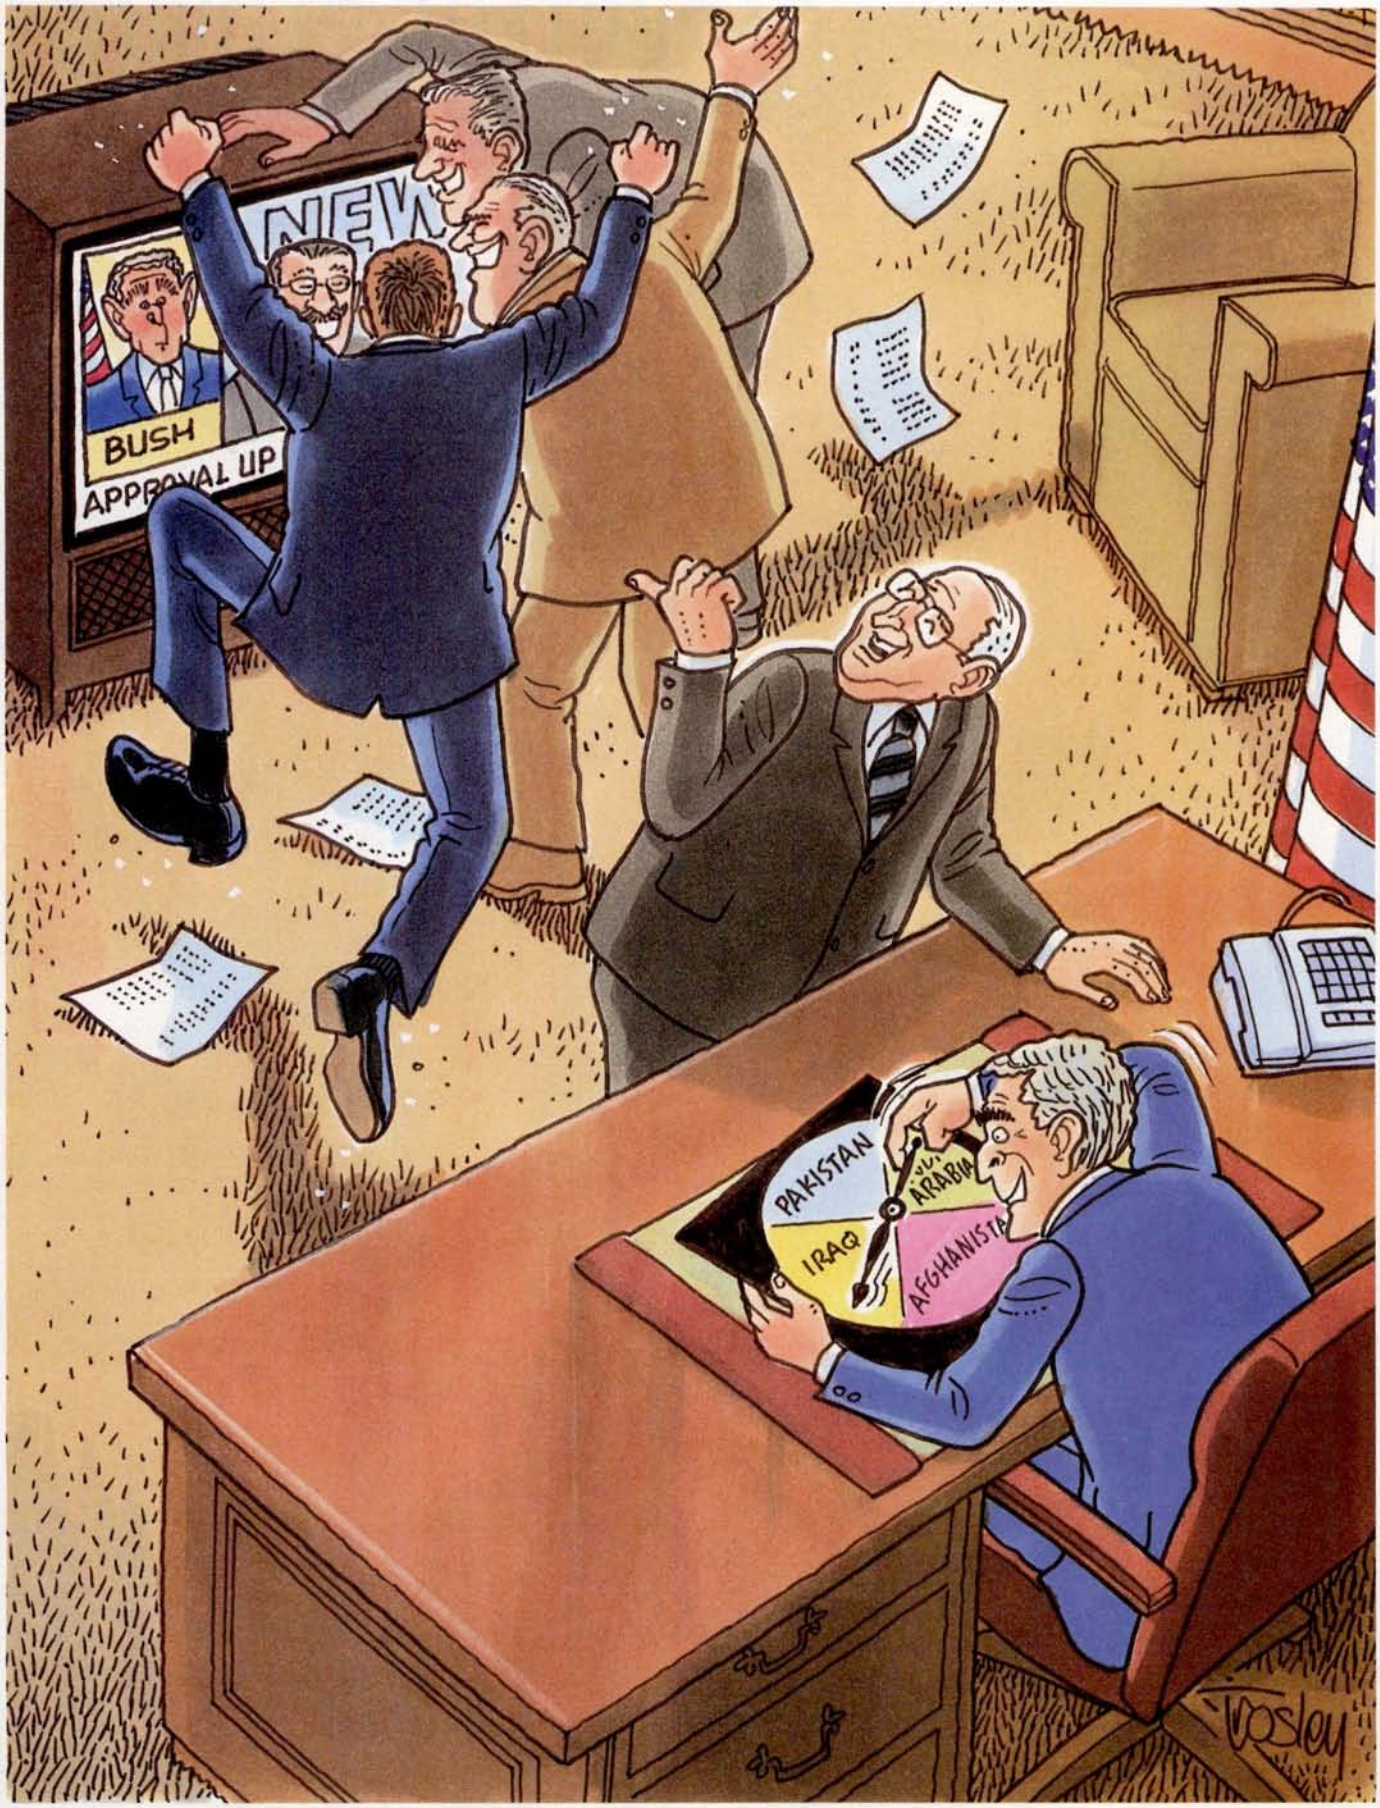
Warren gets on the radio: "Very affluent. Gold watch. Several locked boxes. I don't think these people pose a threat."

Over the radio: "The hands—check the hands."

"He's got all his fingers, over."



"All's quiet on the Afghan plains."



"It worked! Your approval rating has shot up due to your announcement of the bombing mission! Have you decided which country yet?"

BACKSTAGE SERVICE

Ann Marie & Mark

"I fucking deserved that award," Ann Marie fumes in the dressing room. "Whose cum does a girl have to swallow around here to get a lousy trophy?"

A timid knock interrupts her tirade. Ann Marie hurls the door open and nearly screams, "What?" Mark fumbles through his notes, but the diva already suspects the reason for his visit. "You want me to keep it down because the award show is still going on?" He nervously nods in agreement.

Ann Marie grabs the hapless stage manager by the collar and pulls him through the door. "I have a show to run," Mark stammers. "It's only national TV," the prima donna says, as though to calm him. "I lost tonight. But you know what, cutie? I'm not leaving this place empty-handed. There's no sense becoming worked up over losing a little man when I can suck and ride a fat cock."

(continued from page 78) something popped up. Finally, after about three weeks of that, [the agent] came in and said, 'Look, you want to work? I got something for you right now. I'll pay you 100 bucks to do a boy/boy/girl with a fat chick; one of the guys ain't showing up. You wanna do it or not?' I said, 'Yeah, why not?' That's how I started." Since that fateful day five years ago, Day has shot more than 1,100 sex scenes.

While the adult-entertainment industry works very hard to discourage single men from seeking entrance, the doors of Fortress Smut are open 24 hours a day to presentable female talent who, according to Jules Jordan, can get away with being "a complete pain in the ass," "on drugs" or "annoying as fuck."

Because the flesh trade needs new girls like a vampire needs blood, pornmakers are more than happy to accept guys into movies if the men are willing to pimp out their girlfriends as part of the deal. "The easiest way to get in so you're not spinning your wheels for a long time," says World Modeling's Jim South, "is to find a very attractive girl who's 18 years old or older with two forms of ID, who's willing to start out working with you, to at least get your foot in the door."

Many dudes who dream of living *la vida porno* have adopted this scheme. "I plan to work with my girlfriend first," says J. P., a 19-year-old surfer from Santa Barbara, California, who hopes for a career as a high-end smut actor. His girl, also 19, is 5-5, has a model's face and B-cup breasts—just the kind of confection the porn industry drools on, chews up and spits out. "I don't think she'd be interested in working with other people," J. P. says. "But I would be. She wasn't into it at all until I pushed her a little."

"It's not like we're going to fly the Swedish Bikini Team to Alabama to have sex with you. It's a business."

Becoming a XXX producer is another, if labor-intensive and financially risky, avenue to sex stardom. Gonzo porn, low-budget vérité videos often shot by amateurs, has become a fast-growing genre over the past several years. Performer/directors such as Max Hardcore, John Stagliano and Ed Powers have made their living by shooting and starring in homegrown erotica, but the life of a reality-porn auteur is far from the carefree, fuck-anything-that-walks lifestyle portrayed onscreen. Time, determination and cold cash are all necessary elements for success. "I was barely breaking even by my fifth movie in," recalls Jordan. "It's expensive, if you're starting out, to hire girls. My first movie cost me eight to ten thousand, and I sold it for five. Not everyone can do it, but everyone thinks he can."

Chances are, blowing ten grand on high-priced hookers would be more satisfying than braving the choppy seas of adult-film making. Even if a horny guy manages to cajole, bribe or chloroform a bunch of hot girls into fucking him on camera, there's no guarantee that anyone in porn is going to be interested in the dirty epic that results.

AVN-Award-winning editor and post-production supervisor Sammy Slater has seen his share of homemade porn. "The biggest problem these guys have is the lighting," says Slater. "It doesn't matter how hot the girl is if you can't see her. Maybe 10 or 20% of amateur directors make what they thought they were going to. The rest might be able to sell their stuff to some low-end distributor, but they'll lose money or barely recoup their costs."

When most people dream of becoming porn stars, they don't imagine that they will be screwing their own wife or girlfriend in front of a disinterested film crew. Nor do they want to wait in a gang-bang line or find their own fuckable co-stars to shoot themselves. Most wanna-be porn actors don't envision the reality of XXX work: the long hours, the competition, the low pay. They focus on the single mark on the plus side of the column: drilling a constant variety of luscious, young fuck toys.

Horny dudes often ignore basic common sense in their single-minded quest for porn stardom. "At least 90% of men who call me think the whole job is screwing beautiful women and getting paid for it," says HUSTLER talent coordinator DeFina. "It doesn't even occur to them that they have to go where we tape the screwing, and they have to do it even if they don't like the girl. They're out of their gourd. It's not like we're going to fly the Swedish Bikini Team to Alabama to have sex with you. It's a business."

"I've told you to pinch it off into little pieces!"

"There are some Americans outside calling for a regime change...in America."

"I pulled down her boxers, and found she had a neatly trimmed clam that drooled like a retard when I heaved my log in."

(continued from page 43) much as the way she wiggled her featureless chest at me when I asked her out.

Over the course of our date, we progressed from dinner to fooling around to lying naked on Regina's futon. As the little cutie stroked my dick hard with her fingers, she pulled a wrapped object from under her pillow. "It's a sponge," my date said. "I order them from Canada."

The unwrapped item looked like a pocket pussy, only much too small. I half-expected Regina to burst into a spontaneous fit of housecleaning, but she surprised me by jamming the oozing, foam-rubber article up her love canal. My date worked her fingers inside her womb, concentrating.

"Shit," Regina said. "It's stuck in the wrong place."

It turns out these little hunks of sponge are dipped in spermicide and used as contraceptives up North. I realized that I wouldn't receive so much as a blowjob until the thing was properly seated or out of her pussy; so I cracked my knuckles and probed around like a doctor.

Trying to keep the mood romantic, I tickled her clit with my thumb while struggling valiantly to grip the slippery object with two fingertips. Regina glared at me and shouted for her housemate.

Ellen had spiky, shiny black hair and wore combat boots—she's not necessarily the most obvious dyke I'd seen, but the reverence with which she treated Regina's pussy made me sure of her tendencies. The new girl's neck flushed bright red while she explored Regina's fuck hole with slender, short-nailed fingers.

I should have known what was going to happen, just from the way Ellen's nose flared up when her face came close to Regina's perfumed notch. The dark-haired rugmuncher's tongue poked experimentally at the folds, touching the knuckle of her own grasping finger.

"What the—?" Regina yelped, before Ellen shushed her. "Almost out," the canny lesbian said, hawking a gob of spit onto the redhead's twat and easing a third finger in.

I'm not made of stone, but my prick sure was at that moment. Ellen was as good-looking as her housemate, and her creamy, untethered bosom hung halfway out of her wife beater. The dyke was on her knees, khaki-covered ass toward me, and the nude, pale girl I'd already planned on fucking had her legs spread and off the ground. The female musk in the air—mostly Ellen's I presumed—convinced me that I wasn't watching a video.

I'd covered myself with a blanket when the housemate came in, but now I let it fall and ceremoniously smeared pre-cum on the dyke's shorts with the tip of my steak-stogie. To her credit, Ellen merely shot me an irritated look and loosened her belt with her free hand. I pulled down her khakis and boxers, and found she had a neatly trimmed clam that drooled like a retard when I heaved my log in.

"Fucking Christ," Ellen hissed into Regina's crotch. But I don't know if her muffled expletive was a reaction to being boned, and if so, whether she felt good, bad or indifferent to the experience.

Banging into the butch girl was amazing. Aside from the absence of a hymen, I had no indication that her sopping, vise-like cunt had ever been plundered by a man. For all I know, the Lilith Fair postergirl had popped her own cherry, or busted it on some ugly chick's nose. I timed my thrusts to Ellen's manual violation of my date's cooch, which now strained to accept four of the dyke's long fingers.

Regina's tiny frame shuddered; tears ran down her face, but she still couldn't dislodge the sponge. There were long stretches as the three of us writhed together, during which the little redhead didn't seem to be trying to squeeze the doohickey out. In fact, her nipples stood out on her flat chest, seemingly ready to burst.

Our climaxes were practically simultaneous. As we huffed and moaned, Ellen waggled her heinie to prolong her spasms and gently removed her paw from Regina's fucked-out crevice. Between her triumphant fingers, she held the rogue sponge.

Contraception may seem like a bother, but in this case it worked out great for all of us. Everybody got off, and I hear Ellen switched teams and got pregnant. Apparently, she's over the moon about the prospect of breeding. She never thought she would.

Sweetie is an unabashed booster of homemade porn and dirty magazines. The 21-year-old Huntsville, Alabama, babe daydreams of "bananas, whipped cream, cherries, baby oil, body paint and buttery nipples." —Photo by Friend

"I would like to have sex on a stage, being watched by a lot of people," reveals Hailey, a 22-year-old waitress from Dallas, Texas. Until opportunity knocks, the sudsy beauty enjoys passing her time by hunting and raising snakes. —Photo by Friend

Fucking and traveling are Jean's two favorite pastimes. The 35-year-old Louisville, Texas, waitress's mind usually wanders to thoughts of her "husband fucking another woman" while she watches. —Photo by Husband

Tina Willing, 37, is into swinging, hiking and clubbing. The adventurous Santa Ana, California, babe isn't forthcoming regarding her employment, but she admits to being quite occupied with "getting the biggest cock I can find" and "having a threesome on the beach." —Photo by Boyfriend

Jan Taylor, 32, is a nurse from Fort Worth, Texas, who loves scuba diving and motorcycling. The top-heavy blonde often imagines "covering myself and my man with whipped cream and chocolate, and licking each other clean." —Photo by Friend

Chicks usually go in for girlie crap such as candles. In the case of Candy, 22, of Waikiki Beach, Hawaii, the candles go in for her. While the Aloha State denizen enjoys tapering off, she's more partial to fucking, sucking and "making pervs happy." —Photo by Fiancé

Cleveland, Ohio, model and dancer Lexi has a passion for riding motorcycles and hopes to get a degree in international business. Until then, the 24-year-old Midwestern hottie would be perfectly satisfied "having thousands of guys see my nude photos."
—Photo by Friend

A 33-year-old girl Friday from West Palm Beach, Florida, BB loves in-line skating and riding motorcycles. The immodest errand-runner fantasizes about "a threesome on a Harley"; yet another reason to stay current with your bike-club dues.
—Photo by Husband

Jessica of Hollywood, California, is the kind of chick with whom we love to keep company. The 28-year-old escort lives for sex, playing dress-up and going to clubs, and wants "my husband to watch me screw three guys at once. If he's good, he could be the fourth."
—Photo by Boyfriend

Tonya, 38, of Lincoln, California, derives her jollies from skiing, riding Harley-Davidson motorcycles and working out. When the self-employed Beaver isn't baring her hidden assets, she dreams of "satisfying men."
—Photo by Friend

"I am hardworking and stubborn," admits Autumn of Atlanta, Georgia. The 24-year-old peach enjoys horseback riding and hopes to someday become a nurse. For kicks, Autumn would love to make room for "another girl" in the shower.
—Photo by Boyfriend

Tawny is a 25-year-old dancer from Bloomington, Illinois, who enjoys screwing and, from the looks of her application, little else. The juggy blonde didn't feel comfortable sharing her sexual fantasies, either. Don't worry, Tawny; we're sure that our readers will cook up a few.
—Photo by Friend

Laurie, 31, splits her time between hairdressing and construction work in her hometown of Minneapolis, Minnesota. The busy Beaver enjoys working out, bicycling and fucking, and has a trio of carnal dreams: "Tying up a man, getting it on with a chick and screwing in the cockpit." —Photo by Friend

Oola, 26, of Phoenix, Arizona, is a student and server who enjoys working out, four-wheeling and reading. The hard-working hottie and apparent Georgia O'Keefe fan dreams of being "caught having sex in public." —Photo by Friend

Jenna is a personal trainer from New York, New York. The 35-year-old health nut enjoys weightlifting, running and dancing, and longs to pose for "a photo-shoot with another hot bisexual woman" in HUSTLER.

EXTENDOR Maximizes the size of your penis naturally without any risky surgery, weights, or messy pumps and lubes.

The average male sex organ is 5 to 6 inches long. With Extendor you can Maximize the size of your penis.

The breakthrough came when scientists learned that certain herbs potentially increase blood flow to the internal chambers of the penis.

- ACHIEVE BIGGER HARDER ERECTIONS
- MAXIMIZE YOUR PENIS
- INCREASE YOUR SEXUAL PLEASURE

The size of the erect penis is dependent upon the blood flow to the 3 erectile chambers. A fully blood engorged penis will achieve its Maximum potential size.

Therefore, many alternative medical physicians suggest that with proper supplementation of specific nutrients, you can increase the blood flow to the erectile chambers to achieve Bigger, Harder Erections and Maximize your penile potential.

Most women agree that sex with a man with a Bigger, Harder Erection is extremely more pleasurable. Imagine the look on your partner's face when they see your NEW penis.

- MONEY BACK GUARANTEE -

We are so confident that you will be completely satisfied with Extendor, that we offer a no risk, 30 day money back guarantee. If you are unsatisfied for any reason, simply return the empty bottle for a full refund - NO HASSLE.

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS PILLS WILL WORK FOR YOU!
WE OFFER A 100% MONEY BACK GUARANTEE!!

No Pumps, Exercises or Prescription!
Doctor Approved Pill Will Enlarge Your Penis up to 4 Inches!

"This pill really works. I am now a harder 9 inches, which makes me feel good about myself. Besides wanting to be bigger, I always got soft to soon. Now that doesn't happen anymore. I'm hard like a rock from start to finish. I don't stop until she says 'you are terrific' and cums right along with me." -JS, Ohio

You Will Have These Penis Gains In A Few Weeks!

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpa cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on you part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less then average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis wil 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger then you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 4 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- Stronger and more intense orgasms
- Stop premature ejaculations
- Safely enhance the size of your penis.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger then 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger then that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

Big-Clitted Freaks

The Joy and Thrill of Girl-Cock

by Dan Kapelovitz
Photo by George Might

"Pump it, Charles, pump it," Jenny says to her husband as he squeezes a bulb that draws air out of the plastic tube connected to her clit. Because nature abhors a vacuum, blood rushes to Jenny's love bud, making the already-oversize joy button elongate and take on the shape of the pneumatic tube.

After ten minutes of rigorous pumping, Jenny's rosebud resembles a flat, three-inch uncircumcised prick. The clit hood has become foreskinlike. The only phallic element missing from Jenny's clitoric pud is a urethra.

"Suck it hard, Charlie," Jenny screams.

Charles wraps his lips around his wife's she-cock and performs fellatio on her while finger-banging her wet pussy.

"Jack me off," Jenny moans. Charles works her monster clitty between his thumb and forefinger as he eats her cunt. With his free hand, Charles wrangles with his own stiff meat.

In less than a minute, the couple have a simultaneous orgasm and, soon after, Jenny's jewel shrinks back to its pre-pumped size.

* * *

Large clits fall into three major—and sometimes overlapping—categories: genetic, pumped and steroid-induced. Rhonda, an attractive, athletic brunette with short hair who resides just outside of Philadelphia, markets herself on the Web (rhondasplaypen.com) as a naturally big-clitted female. Her nub juts from its hood, looking something like the nose of W. C. Fields.

The 33-year-old says that the only reason her sex button was not chopped off at birth (a common procedure in her time that continues less frequently today) was because her parents were extremely religious, and they didn't believe in altering her God-given vagina.

Her Bible-thumping folks probably wish they'd reconsidered. "Girls born naturally with huge clits have a high sex drive," claims Rhonda, who believes her titanic joy knob may be due to receiving some of her identical twin's testosterone while in the womb. "I was diagnosed very young as a nymphomaniac."

Rhonda boasts that her protruding clitoris gives her the sexual advantages of both men and women. Like a guy, Rhonda can come extremely quickly, and she also has the female capacity for multiple orgasms. "I can have 20 to 25 orgasms in a couple hours. We [large-clitted women] sit on a cock and come by grinding our clits."

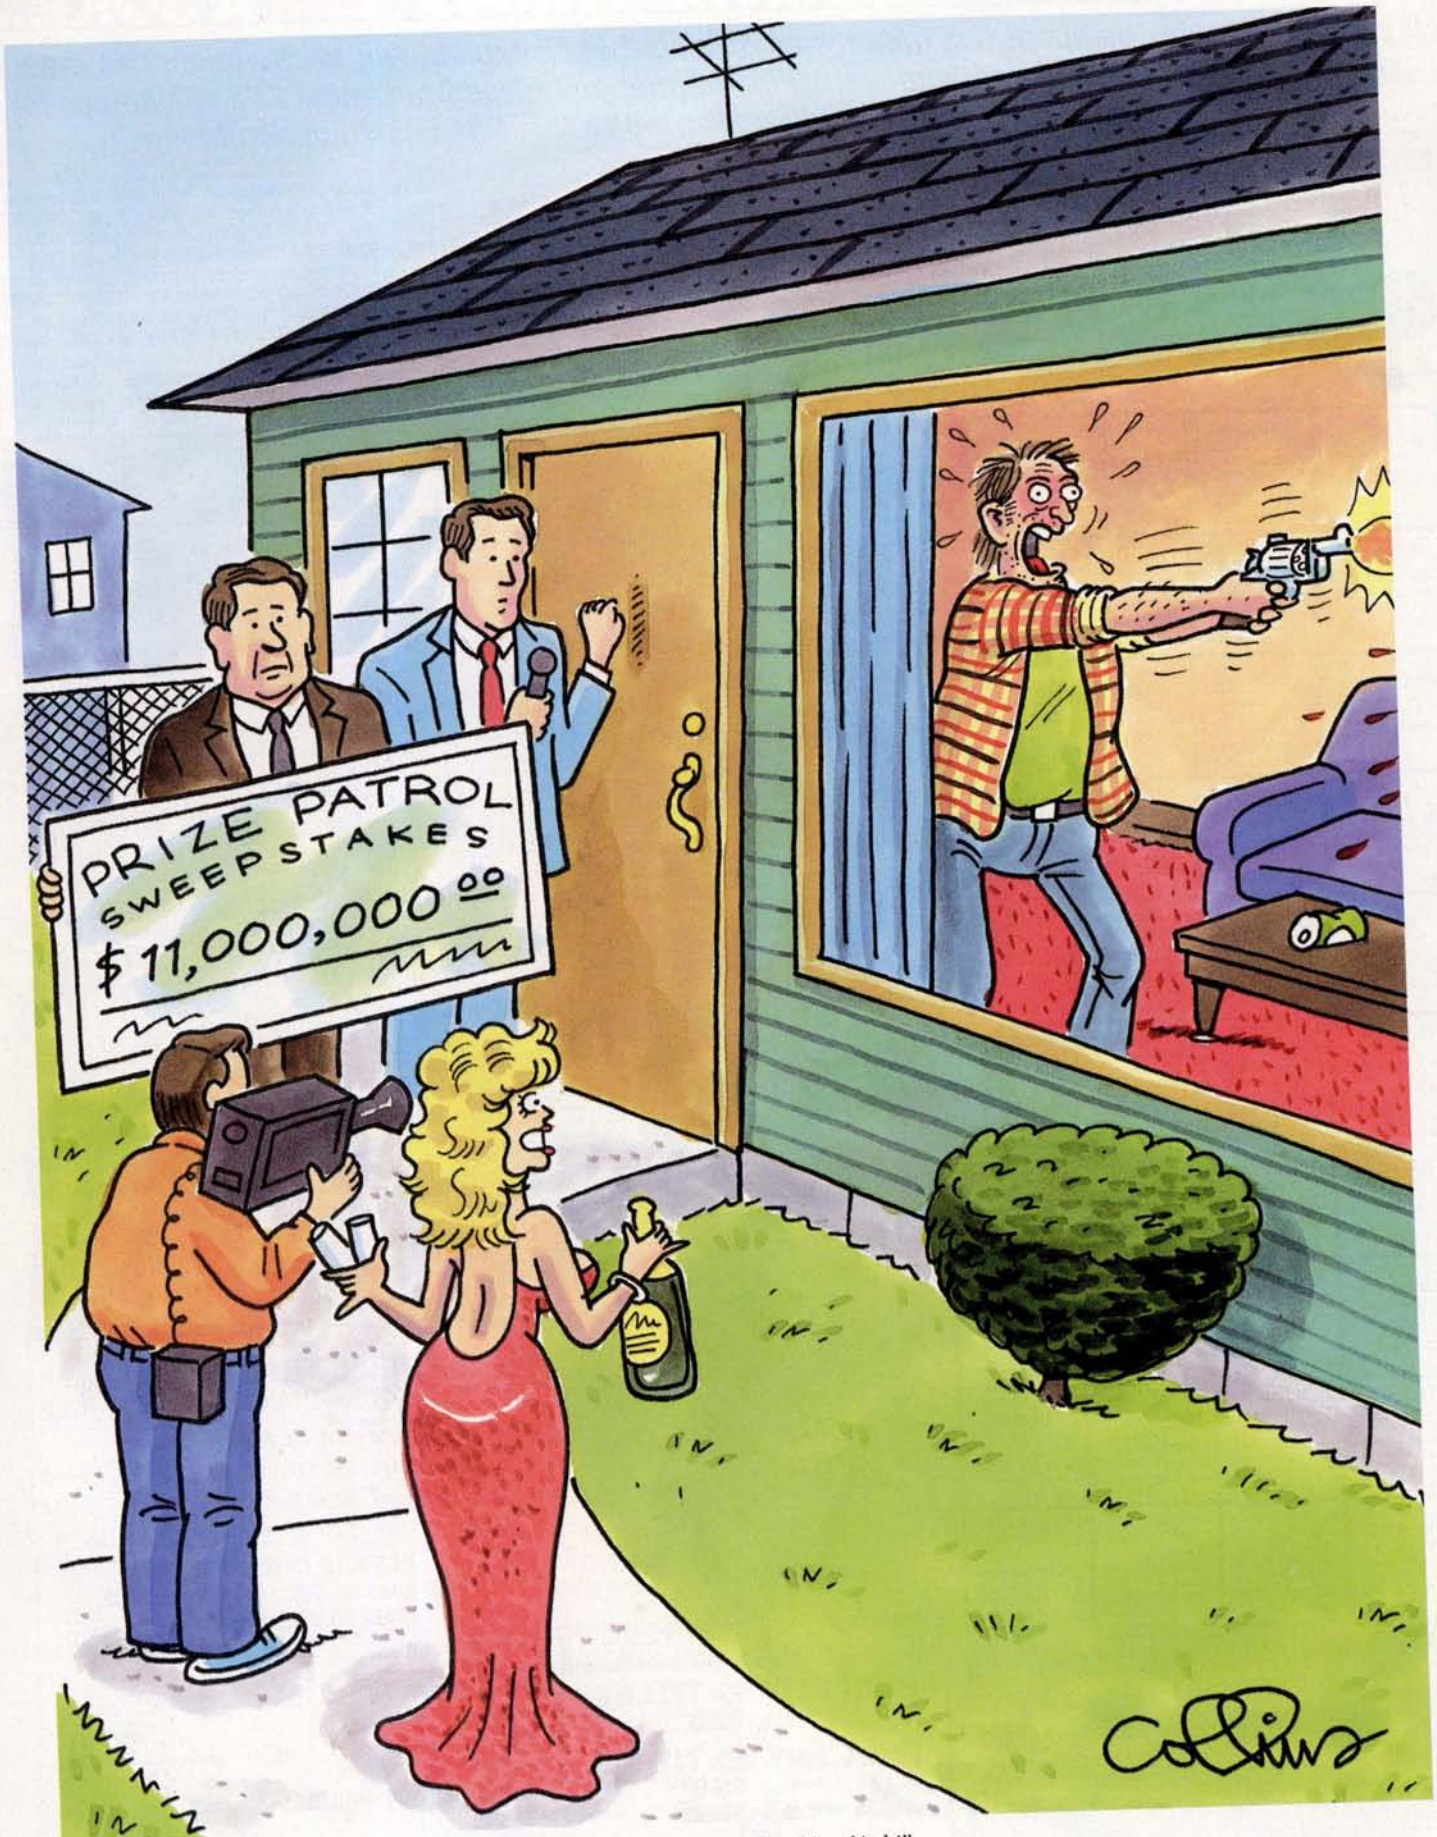
There are, however, some drawbacks to possessing a larger-than-average clitoris. "You have to learn to keep your sexual urges in control," says Rhonda. "I masturbate at least four or five times a day. We have to be careful [with] the clothing we wear, because it rubs against us, and we actually get off. I have a clit ring. I had to get a small one because the ball would rub against my clit, and it wasn't cool walking down the road with juices running down my legs."

Linda Might is another big-clitted Web star who has cashed in on her gargantuan thrill bubble. Might says her site (lindamight.com) has more than 1,000 members who each pay $9.95 per month. The Internet entrepreneur, whose clit grows up to three inches in length when aroused, claims she could make even more money off her love knob. "I've had offers, from trips around the world to a man who offered me $50,000 to spend one evening with him. I just write back and say, 'I'm an exhibitionist; I'm not a hooker.'"

The most prevalent theory about colossal clit fiends is that they may be, at the very least, bicurious. "It's [considered] okay for girls to have bisexual tendencies; it's not okay for men," explains Rhonda. "The bigger clit, when it's really huge, can resemble a small penis. Guys can actually suck on it. It fulfills their sexual fantasy, yet they're not actually being with a guy."

Might believes that a man who loves big clits isn't necessarily queer. "Guys just like to suck on things," says the monster-nubbed Web mistress, although she admits that her big-clit-loving husband, George, has bisexual tendencies.

"With a smaller clit, there is only so many tongue moves you can apply," claims George, "but with a 'clit boner,' the variety is vastly multiplied. Imagine



"Eat lead, you cocksucking bitch!"

ALL GIRLS ARE 18+

licking and sucking a clit that you can feel expand and harden in your mouth."

J. G., a king-size-clit freak for 25 years, believes that, far from being closeted homo- or bisexuals, real men eat huge-clitted quiche. "Men who deride big clitters are a bit insecure about their own masculinity," says the 50-year-old New York City native. "Men who are turned on by [a large clit] realize that it is the symbol of female libido—a strong and sexually potent woman who wants to get it on."

Even so, Jerome, a large-clit fanatic and unemployed playwright in Seattle, Washington, offers these telling words: "It would be cool if a girl had a big enough clit where she could stick it in your ass."

According to Karlyn Lotney a/k/a Fairy Butch, author of *The Ultimate Guide to Strap-On Sex,* a properly endowed gal could make Jerome's wish come true with the use of a vacuum-action clit pump. Although difficult, a stretched-out love bud can achieve penetration. One technique involves tying off the engorged clit at the base with a bolo-type cock ring. Another method entails keeping the enlarged clit in the pump and placing the tube into a hollowed-out, penis-extender dildo. "The dildo feels kind of like an extension of the clitoral tissue," says Lotney.

Clit pumpers should take safety precautions. "Pumping up too fast can cause abrasions and microtears in the clitoral hood and the labial tissues," warns Lotney. "You want pain to be your guide." Lotney also advises that drinking and pumping don't mix.

While there have been no scientific studies on pumped fuck buttons, strong anecdotal evidence suggests that pumping can increase clit size, even if only gradually. "Any permanent increase in size is pretty subtle, but the temporary increase can be quite dramatic," says Lotney, who knows of some pumped clits that have grown up to 4½ inches. Unfortunately for those who like to suck king-size sex bumps, clit mass will decrease after the pump is removed.

Besides making the clits bigger, pumping itself can provide women with a pleasurable tactile experience. Lisa Hughes, known to her live-cam fans as Superclit, tries to pump her two-inch clit at least twice a day. "The first time I put it on and started the pump going, it felt like someone was sucking on it wildly," says the half-Chinese, half-English Toronto resident. "I sometimes wear it when I go to the grocery store. I like the feeling of appearing like a nice conservative woman on the outside and, meanwhile, my clitty is being pumped to the max in a vacuum tube."

While sex-toy companies have created a variety of clit pumps, women have turned other devices—including pore cleansers, altered syringes and snakebite kits—into female-genital pumps. There is even an FDA-approved model that costs approximately $400, requires a doctor's prescription and allegedly cures "female arousal disorder" by drawing blood into small and atrophied clits.

"The pump is almost like exercising a muscle," says Mary Kerr, a Beverly Hills, California, gynecologist. "It will go back to its normal size, but with steroids, the clitoral growth won't go away." For this reason, many women who inject or digest synthetic male hormones grow large clits—intentionally and unintentionally.

Kim, a dark-skinned, athletic, gigantic-clitted Northern California girl, is the star of a series of amateur porn tapes that cover a ten-year period of her life. While she always possessed a larger-than-average clitoris, Kim's videos indicate that, as she's become more involved in bodybuilding, her clit has grown along with her biceps, and her once-soft breasts have transformed into rock-hard shepecs. Kim claims she never used steroids (although she admits to taking "cutting agents"), but agrees that physique-enhancing drugs can increase clit size.

Kim has a non-drug-related explanation for her clit enlargement: "I had a boyfriend who really liked a bigger clit, and he told me to hang weights from it. I would attach a three-pound dumbbell to my clit, then I would squat up so the weight would pull [the clit] down."

Denise Masino, the muscle-bound, large-clitted editor of *Muscle Elegance*, a Florida-based magazine devoted to showcasing nude female bodybuilders, says she was born with a bulbous clit, but that many people suspect her size is due to substance use. Masino maintains that cunnilingus can facilitate clit growth: "It's the same concept as the pump, only it's better because it's not a plastic tube you're being sucked into."

Because so many weight-lifting women have grown cunt-cocks, J. G. says the easiest way to find a lady with a huge, suckable clit is to visit Web sites that feature female-bodybuilder escorts. "Some will let you suck their woman meat for an extra charge," says the big-nubbin aficionado. "Actually, lots will, but be careful; some won't."

Rhonda says she can tell whether a plus-size love button is natural or steroid-induced. "A girl with a natural clit—it's like a guy; it goes back inside. Whereas a girl who's on steroids, her clit hangs out above the skin. I guess I should be happy that I was born a freak."

Baby Blew Cock

LAURA

Laura's baby blue eyes are inviting. Her curled eyelashes, porcelain skin and platinum blond hair make her look like a fragile doll, but don't be fooled. Those lips, shimmering with red lipstick, reveal a sly grin that echoes Laura's dirty-on-the-inside personality.

"Men say I have the kind of face they like to come across," Laura says with a spermworthy smirk. As the joke registers, the sly tramp slowly removes her shirt, exposing snow-white skin one would want to believe is virginal. "I love to fuck," she insists. "And that's no joke."

Find out what's real and what's fake in this body-slamming HUSTLER feature.

ANNIVERSARY IN WACO

The 51-day siege that ended with the incineration of the Branch Davidian compound in Waco, Texas, began on February 28, 1993. For the tenth anniversary of what turned out to be the bloodiest shootout in U.S. law-enforcement history, HUSTLER details the mayhem from the center of the action. Special Agent Charles Hustmyre provides an exclusive account of the events that unfolded as he and 75 other ATF agents descended on the heavily armed cult. Recounting the frenzied melee in gripping and uncensored detail, Hustmyre examines what went wrong and what, if anything, can be learned from the disastrous results.
